(a) The enforcement agency which takes into custody and possession an abandoned motor vehicle or junked motor vehicle shall, within fifteen days after taking custody and possession thereof, notify the last-known registered owner of the motor vehicle and all lienholders of record that the motor vehicle has been taken into custody and possession, the notification to be by registered or certified mail, return receipt requested. - (2) Set forth the location of the facility where the motor vehicle is being held and the location where the motor vehicle was taken into custody and possession;
- (3) Inform the owner and any lienholders of record of their right to reclaim the motor vehicle within ten days after the date notice was received by the owner or lienholders, upon payment of all towing, preservation and storage charges resulting from taking and placing the motor vehicle into custody and possession; and
- (4) State that the failure of the owner or lienholders of record to exercise their right to reclaim the motor vehicle within the ten-day period shall be deemed a waiver by the owner and all lienholders of record of all right, title and interest in the motor vehicle and of their consent to the sale or disposal of the abandoned motor vehicle or junked motor vehicle at a public auction or to a licensed salvage yard or demolisher.

(b) If the identity of the last registered owner of the abandoned motor vehicle or junked motor vehicle cannot be determined or if the certificate of registration or certificate of title contains no address for the owner or if it is impossible to determine with reasonable certainty the identity and addresses of all lienholders, notice shall be published as a Class I legal advertisement in compliance with the provisions of article three, chapter fifty-nine of this code, the publication area shall be the county wherein the motor vehicle was located at the time the enforcement agency took custody and possession thereof and the notice shall be sufficient to meet all requirements of notice pursuant to this article. The notice shall have the same contents required for a notice pursuant to subsection (a) of this section, including the ten-day period the owner or lienholder has to reclaim the motor vehicle. Upon the issuance of the notice, the identified owner of the motor vehicle is liable and responsible for all costs for towing, preservation and storage of the motor vehicle: Provided, That failure to issue the notice required by this subsection within thirty days after possession of the motor vehicle relieves the identified owner of the motor vehicle of any liability for charges for towing, preservation and storage in excess of the sum of the first five days of the charges: Provided, however, That the requirements of this subsection do not apply to motor vehicles for which the registered owner thereof cannot be ascertained by due diligence or investigation.

(e) For an abandoned motor vehicle or junked vehicle having a loan value of \$7,500 or less, as ascertained by values placed upon motor vehicles using a standard industry reference book, a person or entity hired by an enforcement agency to tow the abandoned motor vehicle or junked motor vehicle may, if the motor vehicle is not claimed by the owner or a lienholder after notice within the time set forth in subsection (d) of this section or if the identity of the last registered owner of the abandoned motor vehicle or junked motor vehicle cannot be determined or if the certificate of registration or certificate of title contains no address of the owner or if it is impossible to determine with reasonable certainty the identity and address of all lienholders after publication as set forth in subsection (b) of this section, file an application with the Division of Motor Vehicles for a certificate of title and registration which, upon payment of the appropriate fees, shall be issued. (2) The motor vehicle is abandoned on the property or place of business of the dealer, licensed automobile auction, motor vehicle repair facility or towing company; and

(3) This amount will be increased every five years on September 1 of the fifth year based on the U.S. Department of Labor, Bureau of Labor Statistics most current Consumer Price Index; and

The purchaser of the motor vehicle shall take title to the motor vehicle free and clear of all liens and claims of ownership and shall receive a sales receipt from the enforcement agency which disposed of the motor vehicle. The sales receipt at the sale shall be sufficient title only for purposes of transferring the motor vehicle to a licensed salvage yard or to a demolisher for demolition, wrecking or dismantling and no further titling of the motor vehicle shall be necessary by either the purchaser at the auction, the licensed salvage yard or the demolisher, who shall be exempt from the payment of any fees and taxes required under article three, chapter seventeen-a of this code: Provided, That the purchaser at the auction must place the motor vehicle in the possession of a licensed salvage yard or demolisher within twenty days from the date he or she purchased the motor vehicle and the licensed salvage yards or demolisher must demolish, wreck or dismantle the motor vehicle within six months after taking possession of the motor vehicle and if the licensed salvage yard or demolisher does not, the licensed salvage yard or demolisher shall be required to pay all fees and taxes required under article three, chapter seventeen-a of this code.

Any remainder from the proceeds of the sale of an abandoned motor vehicle or junked motor vehicle after payment of expenses shall be held for the last registered owner of the motor vehicle or any lienholder for ninety days, after which time, if no owner or lienholder claims the remainder, it shall be deposited in the state road fund.
