WEST VIRGINIA CODE: §17-27-14

§17-27-14. Utility crossings.

The developer and each county, municipality, public service district, utility, railroad, and cable television provider whose facilities are to be crossed or affected shall cooperate fully with the other in planning and arranging the manner of the crossing or relocation of the facilities. Any entity possessing the power of condemnation is expressly granted the powers in connection with the moving or relocation of facilities to be crossed by the qualifying transportation facility or that must be relocated to the extent that the moving or relocation is made necessary or desirable by construction of or improvements to the qualifying transportation facility, which includes construction of or improvements to temporary facilities for the purpose of providing service during the period of construction or improvement. Any amount to be paid for the crossing, construction, moving or relocating of facilities shall be paid by the developer.
