WEST VIRGINIA CODE: §17-29-1

§17-29-1. Definitions.

As used in this article:

- (1) "Personal vehicle" means a vehicle that is:
- (a) Used by a transportation network company driver to provide a prearranged ride;
- (b) Owned, leased or otherwise authorized for use by the transportation network company driver; and
- (c) Not a taxicab or for-hire vehicle.
- (2) "Digital network" means any online-enabled application, software, website or system offered or utilized by a transportation network company that enables the prearrangement of rides with transportation network company drivers.
- (3) "Transportation network company" means a corporation, partnership, sole proprietorship, or other entity that is licensed pursuant to this article and operating in West Virginia that uses a digital network to connect transportation network company riders to transportation network company drivers who provide prearranged rides. A transportation network company does not control, direct or manage the personal vehicles or transportation network company drivers that connect to its digital network, except where agreed to by written contract.
- (4) "Transportation network company driver" or "driver" means an individual who:
- (A) Receives connections to potential passengers and related services from a transportation network company in exchange for payment of a fee to the transportation network company; and
- (B) Uses a personal vehicle to offer or provide a prearranged ride to transportation network company riders upon connection through a digital network controlled by a transportation network company in return for compensation or payment of a fee.
- (5) "Transportation network company rider" or "rider" means an individual or persons who use a transportation network company's digital network to connect with a transportation network company driver who provides prearranged rides to the rider in the driver's personal vehicle between points chosen by the rider.
- (6) "Prearranged ride" means the provision of transportation by a driver to a transportation network company rider, beginning when a driver accepts a transportation network company rider's request for a ride through a digital network controlled by a transportation network

company, continuing while the driver transports the requesting rider, and ending when the last requesting rider departs from the personal vehicle. A prearranged ride does not include:

- (A) Transportation provided using a taxi, limousine or other for-hire vehicle; or
- (B) Transportation provided under a ridesharing arrangement, as defined in section one, article twenty-two, chapter seventeen-c of this code or any other type of arrangement or service in which the driver receives a fee that does not exceed the driver's costs associated with providing the ride.
