WEST VIRGINIA CODE: §17-2A-21

§17-2A-21. Commissioner authorized to contract for implementation of litter control programs.

In addition to all other powers granted and duties imposed upon the Commissioner, he or she shall contract with the Secretary of the Department of Environmental Protection and expend moneys from the highway litter control fund to implement the litter control program and litter control maintenance of the highways pursuant to article fifteen-a, chapter twenty-two of this code.
