WEST VIRGINIA CODE: §17-3A-5

§17-3A-5. Disbursements from fund.

Any claim of a contractor or others, not otherwise provided for, for labor done or for materials, services or supplies furnished to the Division of Highways pursuant to the provisions of this article shall be audited by the commissioner of the Division of Highways. If the commissioner determines that the claim is valid and correct, the commissioner shall issue a requisition of the division upon the State Auditor therefor showing the nature of the claim and specifying whether the claim is for labor done or materials, services or supplies furnished for the construction or maintenance of state roads, or for other purposes, and the Auditor shall issue his or her warrant upon the State Treasurer therefor. The treasurer shall issue the warrant to the person, firm or corporation entitled thereto out of the funds in the treasury provided for that purpose. The cost of acquiring a right-of-way shall be paid out of the fund.
