

WEST VIRGINIA CODE: §17-4-17d

§17-4-17d. Relocation of public utility lines and public service districts utility lines on state highway construction projects.

Whenever the Commissioner of Highways determines that any public utility line owned by a county or municipal governmental body located upon, across or under any portion of a state highway needs to be relocated in order to accommodate a highway project for which proportionate reimbursement of the cost is not available from any federal program, the commissioner shall notify the public utility owning or operating the facility which shall relocate the same in accordance with this section, and the cost of the relocation shall be paid out of the state road fund.
