

## WEST VIRGINIA CODE: §17A-3-4

### **§17A-3-4. Application for certificate of title; fees; abolishing privilege tax; prohibition of issuance of certificate of title without compliance with consumers sales and service tax provisions; exceptions.**

(a) Certificates of registration of any vehicle or registration plates for the vehicle, whether original issues or duplicates, may not be issued or furnished by the Division of Motor Vehicles or any other officer or agent charged with the duty, unless the applicant already has received, or at the same time makes application for and is granted, an official certificate of title of the vehicle in either an electronic or paper format. The application shall be upon a blank form to be furnished by the Division of Motor Vehicles and shall contain a full description of the vehicle, which description shall contain a manufacturer's serial or identification number or other number as determined by the commissioner and any distinguishing marks, together with a statement of the applicant's title and of any liens or encumbrances upon the vehicle, the names and addresses of the holders of the liens and any other information as the Division of Motor Vehicles may require. The application shall be signed and sworn to by the applicant. A duly certified copy of the division's electronic record of a certificate of title is admissible in any civil, criminal or administrative proceeding in this state as evidence of ownership.

(b) A tax is imposed upon the privilege of effecting the certification of title of each vehicle in the amount equal to five percent of the value of the motor vehicle at the time of the certification, to be assessed as follows:

(1) If the vehicle is new, the actual purchase price or consideration to the purchaser of the vehicle is the value of the vehicle. If the vehicle is a used or secondhand vehicle, the present market value at time of transfer or purchase is the value of the vehicle for the purposes of this section: Provided, That so much of the purchase price or consideration as is represented by the exchange of other vehicles on which the tax imposed by this section has been paid by the purchaser shall be deducted from the total actual price or consideration paid for the vehicle, whether the vehicle be new or secondhand. If the vehicle is acquired through gift or by any manner whatsoever, unless specifically exempted in this section, the present market value of the vehicle at the time of the gift or transfer is the value of the vehicle for the purposes of this section.

(2) No certificate of title for any vehicle may be issued to any applicant unless the applicant has paid to the Division of Motor Vehicles the tax imposed by this section which is five percent of the true and actual value of the vehicle whether the vehicle is acquired through purchase, by gift or by any other manner whatsoever, except gifts between husband and wife or between parents and children: Provided, That the husband or wife, or the parents or children, previously have paid the tax on the vehicles transferred to the State of West Virginia.

(3) The Division of Motor Vehicles may issue a certificate of registration and title to an applicant if the applicant provides sufficient proof to the Division of Motor Vehicles that the applicant has paid the taxes and fees required by this section to a motor vehicle dealership that has gone out of business or has filed bankruptcy proceedings in the United States bankruptcy court and the taxes and fees so required to be paid by the applicant have not been sent to the division by the motor vehicle dealership or have been impounded due to the bankruptcy proceedings: Provided, That the applicant makes an affidavit of the same and assigns all rights to claims for money the applicant may have against the motor vehicle dealership to the Division of Motor Vehicles.

(4) The Division of Motor Vehicles shall issue a certificate of registration and title to an applicant without payment of the tax imposed by this section if the applicant is a corporation, partnership or limited liability company transferring the vehicle to another corporation, partnership or limited liability company when the entities involved in the transfer are members of the same controlled group and the transferring entity has previously paid the tax on the vehicle transferred. For the purposes of this section, control means ownership, directly or indirectly, of stock or equity interests possessing fifty percent or more of the total combined voting power of all classes of the stock of a corporation or equity interests of a partnership or limited liability company entitled to vote or ownership, directly or indirectly, of stock or equity interests possessing fifty percent or more of the value of the corporation, partnership or limited liability company.

(5) The tax imposed by this section does not apply to vehicles to be registered as Class H vehicles or Class M vehicles, as defined in section one, article ten of this chapter, which are used or to be used in interstate commerce. Nor does the tax imposed by this section apply to the titling of Class B vehicles registered at a gross weight of fifty-five thousand pounds or more, or to the titling of Class C semitrailers, full trailers, pole trailers and converter gear: Provided, That if an owner of a vehicle has previously titled the vehicle at a declared gross weight of fifty-five thousand pounds or more and the title was issued without the payment of the tax imposed by this section, then before the owner may obtain registration for the vehicle at a gross weight less than fifty-five thousand pounds, the owner shall surrender to the commissioner the exempted registration, the exempted certificate of title and pay the tax imposed by this section based upon the current market value of the vehicle: Provided, however, That notwithstanding the provisions of section nine, article fifteen, chapter eleven of this code, the exemption from tax under this section for Class B vehicles in excess of fifty-five thousand pounds and Class C semitrailers, full trailers, pole trailers and converter gear does not subject the sale or purchase of the vehicles to the consumers sales and service tax.

(6) The tax imposed by this section does not apply to titling of vehicles leased by residents of West Virginia. A tax is imposed upon the monthly payments for the lease of any motor vehicle leased by a resident of West Virginia, which tax is equal to five percent of the amount of the monthly payment, applied to each payment, and continuing for the entire term of the initial lease period. The tax shall be remitted to the Division of Motor Vehicles on a monthly basis by the lessor of the vehicle.

(7) The tax imposed by this section does not apply to titling of vehicles by a registered dealer of this state for resale only, nor does the tax imposed by this section apply to titling of vehicles by this state or any political subdivision thereof, or by any volunteer fire department or duly chartered rescue or ambulance squad organized and incorporated under the laws of this state as a nonprofit corporation for protection of life or property. The total amount of revenue collected by reason of this tax shall be paid into the State Road Fund and expended by the Commissioner of Highways for matching federal funds allocated for West Virginia. In addition to the tax, there is a charge of \$10 for each original certificate of title or duplicate certificate of title so issued: Provided, That this state or any political subdivision of this state or any volunteer fire department or duly chartered rescue squad is exempt from payment of the charge. The Division of Motor Vehicles may adjust the fee for each original certificate or duplicate certificate of title every five years on September 1, based on the U. S. Department of Labor, Bureau of Labor Statistics most current Consumer Price Index: Provided, That an increase in the fee may not exceed ten percent of the total fee amount in a single year.

(8) The certificate is good for the life of the vehicle, so long as the vehicle is owned or held by the original holder of the certificate and need not be renewed annually, or any other time, except as provided in this section.

(9) If, by will or direct inheritance, a person becomes the owner of a motor vehicle and the tax imposed by this section previously has been paid to the Division of Motor Vehicles on that vehicle, he or she is not required to pay the tax.

(10) A person who has paid the tax imposed by this section is not required to pay the tax a second time for the same motor vehicle, but is required to pay a charge of \$10 for the certificate of retitle of that motor vehicle, except that the tax shall be paid by the person when the title to the vehicle has been transferred either in this or another state from the person to another person and transferred back to the person. The Division of Motor Vehicles may adjust the fee for each original certificate of title every five years on September 1, based on the U. S. Department of Labor, Bureau of Labor Statistics most current Consumer Price Index: Provided, That an increase in such fee may not exceed ten percent of the total fee amount in a single year.

(11) The tax imposed by this section does not apply to any passenger vehicle offered for rent in the normal course of business by a daily passenger rental car business as licensed under the provisions of article six-d of this chapter. For purposes of this section, a daily passenger car means a Class A motor vehicle having a gross weight of eight thousand pounds or less and is registered in this state or any other state. In lieu of the tax imposed by this section, there is hereby imposed a tax of not less than \$1 nor more than \$1.50 for each day or part of the rental period. The commissioner shall propose an emergency rule in accordance with the provisions of article three, chapter twenty-nine-a of this code to establish this tax.

(12) The tax imposed by this article does not apply to the titling of any vehicle purchased by a senior citizen service organization which is exempt from the payment of income taxes under the United States Internal Revenue Code, Title 26 U. S. C. §501(c)(3) and which is

recognized to be a bona fide senior citizen service organization by the Bureau of Senior Services existing under the provisions of article five-p, chapter sixteen of this code.

(13) The tax imposed by this section does not apply to the titling of any vehicle operated by an urban mass transit authority as defined in article twenty-seven, chapter eight of this code or a nonprofit entity exempt from federal and state income tax under the Internal Revenue Code and whose purpose is to provide mass transportation to the public at large designed for the transportation of persons and being operated for the transportation of persons in the public interest.

(14) The tax imposed by this section does not apply to the transfer of a title to a vehicle owned and titled in the name of a resident of this state if the applicant:

(A) Was not a resident of this state at the time the applicant purchased or otherwise acquired ownership of the vehicle;

(B) Presents evidence as the commissioner may require of having titled the vehicle in the applicant's previous state of residence;

(C) Has relocated to this state and can present such evidence as the commissioner may require to show bona-fide residency in this state;

(D) Presents an affidavit, completed by the assessor of the applicant's county of residence, establishing that the vehicle has been properly reported and is on record in the office of the assessor as personal property; and

(c) Notwithstanding any provisions of this code to the contrary, the owners of trailers, semitrailers, recreational vehicles and other vehicles not subject to the certificate of title tax prior to the enactment of this chapter are subject to the privilege tax imposed by this section: Provided, That the certification of title of any recreational vehicle owned by the applicant on June 30, 1989, is not subject to the tax imposed by this section: Provided, however, That mobile homes, manufactured homes, modular homes and similar nonmotive propelled vehicles, except recreational vehicles and house trailers, susceptible of being moved upon the highways but primarily designed for habitation and occupancy, rather than for transporting persons or property, or any vehicle operated on a nonprofit basis and used exclusively for the transportation of intellectually disabled or physically disabled children when the application for certificate of registration for the vehicle is accompanied by an

affidavit stating that the vehicle will be operated on a nonprofit basis and used exclusively for the transportation of intellectually disabled and physically disabled children, are not subject to the tax imposed by this section, but are taxable under the provisions of articles fifteen and fifteen-a, chapter eleven of this code.

(e) Any person making any affidavit required under any provision of this section who knowingly swears falsely, or any person who counsels, advises, aids or abets another in the commission of false swearing, or any person, while acting as an agent of the Division of Motor Vehicles, issues a vehicle registration without first collecting the fees and taxes or fails to perform any other duty required by this chapter or chapter eleven of this code to be performed before a vehicle registration is issued is, on the first offense, guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than \$500 or be confined in jail for a period not to exceed six months or, in the discretion of the court, both fined and confined.
