WEST VIRGINIA CODE: §17A-6C-8

§17A-6C-8. Form and display of license certificate; certified copies of license.

(a) The commissioner shall prescribe the form of the license certificate for an automobile auction business. Each license certificate shall have the seal of the division, the location of each place of business of the licensee, the year for which the license is issued, the serial number and other information the commissioner may prescribe printed on it. The license certificate shall be delivered or mailed to the licensee.

(b) When a licensee conducts business at more than one location, he or she shall obtain from the commissioner one certified copy of the license certificate for each place of business for a fee of $1 each. Each licensee shall keep either his or her license certificate or a certified copy conspicuously posted at each place of business.

(c) In the event of the loss or destruction of a license certificate or a certified copy, the licensee shall immediately make application for a certified copy of the lost license certificate. The fee for a replacement copy is $3.
