
WEST VIRGINIA CODE CHAPTER 17B
ARTICLE 2

WV Legislature

§17B-2-1. Drivers must be licensed; types of licenses; licensees need not obtain local government license; motorcycle driver license; identification cards.

(a) (1) No person, except those hereinafter expressly exempted, may drive a motor vehicle upon a street or highway in this state or upon a subdivision street used by the public generally unless the person has a valid driver's license issued pursuant to this code for the type or class of vehicle being driven.

(2) Any person licensed to operate a motor vehicle pursuant to this code may exercise the privilege thereby granted in the manner provided in this code and, except as otherwise provided by law, is not required to obtain any other license to exercise the privilege by a county, municipality, or local board or body having authority to adopt local police regulations.

(b) The division, upon issuing a driver's license, shall indicate on the license the type or general class or classes of vehicles the licensee may operate in accordance with this code, federal law, or rule. Licenses shall be issued in different colors for those drivers under age 18, those drivers age 18 to 21, and adult drivers. The commissioner is authorized to select and assign colors to the licenses of the various age groups.

(c) The following drivers' licenses classifications are hereby established:

(1) A Class A, B, or C license shall be issued to those persons 18 years of age or older with two years of driving experience who have qualified for the commercial driver's license established by Chapter 17E of this code and the federal Motor Carrier Safety and Improvement Act of 1999 subsequent rules, and have paid the required fee.

(2) A Class D license shall be issued to those persons 18 years and older with one year of driving experience who operate motor vehicles other than those types of vehicles which require the operator to be licensed under the provisions of Chapter 17E of this code and federal law and rule and whose primary function or employment is the transportation of persons or property for compensation or wages and have paid the required fee. For the purpose of regulating the operation of motor vehicles, wherever the term "chauffeur's license" is used in this code, it means the Class A, B, C, or D license described in this section or Chapter 17E of this code or federal law or rule: Provided, That anyone not required to be licensed under the provisions of Chapter 17E of this code and federal law or rule and who operates a motor vehicle registered or required to be registered as a Class A motor vehicle, as that term is defined in §17A-10-1 of this code, with a gross vehicle weight rating of less than 8,001 pounds, is not required to obtain a Class D license.

(3) A Class E license shall be issued to persons who have qualified for a driver's license under the provisions of this chapter and who are not required to obtain a Class A, B, C, or D license and who have paid the required fee. The Class E license may be endorsed under §17B-2-7b of this code for motorcycle operation. The Class E or G license for a person under the age of 18 may also be endorsed with the appropriate graduated driver license level in

accordance with §17B-2-3a of this code.

(4) A Class F license shall be issued to those persons who successfully complete the motorcycle examination procedure provided by this chapter and have paid the required fee but who do not possess a Class A, B, C, D, or E driver's license.

(5) A Class G driver's license or instruction permit shall be issued to a person using bioptic telescopic lenses who has successfully completed an approved driver training program and complied with all other requirements of §17B-2B-1 *et seq.* of this code.

(d) All licenses issued under this section may contain information designating the licensee as a diabetic, an organ donor, deaf or hard-of-hearing, as having any other handicap or disability, or that the licensee is an honorably discharged veteran of any branch of the Armed Forces of the United States, according to criteria established by the division, if the licensee requests this information on the license. An honorably discharged veteran may be issued a replacement license without charge if the request is made before the expiration date of the current license and the only purpose for receiving the replacement license is to get the veterans designation placed on the license.

(e) No person, except those hereinafter expressly exempted, may drive a motorcycle on a street or highway in this state or on a subdivision street used by the public generally unless the person has a valid motorcycle license, a valid license which has been endorsed under §17A-2-17b of this code for motorcycle operation, or a valid motorcycle instruction permit.

(f) (1) An identification card may be issued to a person who:

(A) Is a resident of this state in accordance with §17A-3-1a of this code;

(B) Has reached the age of two years or, for good cause shown, under the age of two;

(C) Has paid the required fee of \$5 per year. The Division of Motor Vehicles may adjust this fee every five years on September 1, based on the U.S. Department of Labor, Bureau of Labor Statistics most current Consumer Price Index: *Provided*, That an increase in such fee may not exceed 10 percent of the total fee amount in a single year: *Provided, however*, That no fees or charges, including renewal fees, are required if the applicant:

(D) Presents a birth certificate or other proof of age and identity acceptable to the division with a completed application on a form supplied by the division.

(2) The identification card shall contain the same information as a driver's license except that the identification card shall be clearly marked as an identification card. The division may issue an identification card with less information to persons under the age of 16. The division may issue an identification card without a photograph pursuant to subdivision (4) of this subsection. An identification card may be renewed annually on application and payment of the fee required by this section.

(A) Every identification card issued to a person who has attained his or her 21st birthday expires on the licensee's birthday in those years in which the licensee's age is evenly divisible by five. Except as provided in paragraph (B) of this subdivision, no identification card may be issued for less than three years or for more than seven years and expires on the licensee's birthday in those years in which the licensee's age is evenly divisible by five.

(B) Every identification card issued to a person who has not attained his or her 21st birthday expires 30 days after the licensee's 21st birthday.

(C) Every identification card issued to persons under the age of 16 shall be issued for a period of two years and expire on the last day of the month in which the applicant's birthday occurs.

(3) The division may issue an identification card to an applicant whose privilege to operate a motor vehicle has been refused, canceled, suspended, or revoked under the provisions of this code.

(4) Notwithstanding the provisions of this article to the contrary, the division may issue an identification card without a photograph to an applicant who under oath or affirmation affirms, subject to the laws of perjury and on a form supplied by the division, that the applicant is a member of a recognized religious sect that has established tenets and teachings due to which the applicant is conscientiously opposed to posing for a photograph. The form supplied by the division pursuant to this subdivision shall advise the applicant that an identification card without a photograph may not be acceptable for all identification purposes.

(g) For any person over the age of 50 years who wishes to obtain a driver's license or identification card under the provisions of this section:

(1) A raised seal or stamp on the birth certificate or certified copy of the birth certificate is not required if the issuing jurisdiction does not require one; and

(2) If documents are lacking to prove all changes of name in the history of any such applicant, applicants renewing a driver's license or identification card under the provisions of this section may complete a Name Variance Approval Document as instituted by the division, so long as they can provide:

(A) Proof of identity;

(B) Proof of residency; and

(C) A valid Social Security number.

(3) The division may waive any documents necessary to prove a match between names, so long as the division determines the person is not attempting to:

(A) Change his or her identity;

(B) Assume another person's identity; or

(C) Commit fraud.

(h) A person over the age of 70 years, or who is on Social Security Disability, who wishes to obtain or renew a driver's license or identification card under the provisions of this section, may not be required to supply a copy of a birth certificate if they can provide:

(i) Any person violating the provisions of this section is guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than \$500 and, upon a second or subsequent conviction, shall be fined not more than \$500 or confined in jail not more than six months, or both fined and confined.

§17B-2-1a. Surrender of license from other state or jurisdiction prior to receipt of license from this state; examination; fees required.

(a) The Division of Motor Vehicles may not issue a driver's license to a person who holds a valid license to operate a motor vehicle issued by another state or jurisdiction subject to a reciprocal agreement governing the licensing of drivers operating commercial motor vehicles or party to a reciprocal driver's license exchange agreement with this state unless or until the applicant surrenders to the division the foreign license, or the person has signed and submitted to the division an affidavit to the effect that the person has surrendered all valid licenses issued to him or her by other states or jurisdictions. Any surrendered license issued by any other state or jurisdiction shall be destroyed or at the discretion of the division retained by the division and the division shall notify the original state of licensure that the person who surrendered the license has been licensed in this state. It is unlawful for a person to possess more than one valid driver's license at any time.

(b) Every driver shall, within thirty days after taking up residence in this state, apply to the division for a driver's license as prescribed in this article. For the purposes of this chapter the presumption that a natural person is a resident of this state is based on the provisions of section one-a, article three, chapter seventeen-a of this code. The division may assign the driver's license class, type, endorsements or restrictions based on the applicant's prior licensing status, age and the type of licensing system used by the state of prior licensing.

(c) All other applicable provisions of this article relating to issuance, fees, expiration and renewal of licenses, and driver examination of applicants apply to this section.

§17B-2-1b. Transfer of driver's licensing examination function.

(a) Effective July 1, 1999, the responsibility for driver's licensing examinations and civilian employees of the West Virginia state police whose primary governmental duties as of June 30, 1999, involve the examination of applicants for instruction permits and driver's licenses shall be transferred from the West Virginia state police to the Division of Motor Vehicles.

(b) Effective July 1, 1999, until December 31, 2000, the Commissioner of Motor Vehicles may delegate responsibility for the supervision of the civilian employees and the operation of the examination program to the superintendent of the West Virginia state police pending the orderly transfer and hiring of the necessary personnel, transfer and purchase of necessary equipment and supplies and the establishment of suitable examination locations. The commissioner may also reimburse the West Virginia state police for the services of personnel, equipment, supplies and office space at state police facilities necessary to maintain the examination program at its current level of service during the transfer period. The commissioner may also utilize existing state police locations as examination and licensing locations unless in his or her opinion, more suitable locations are available. The commissioner shall reimburse the West Virginia state police for that use.

§17B-2-1c. Temporary identification card for released inmates.

(a) The West Virginia Division of Corrections and Rehabilitation is authorized to issue a temporary identification card to an eligible inmate at no cost, no earlier than seven days prior to the inmate's release from the division's custody. An identification card issued pursuant to this section shall be valid for 180 days after the date of issuance.

(b) A valid identification card issued pursuant to this section shall have the same force and effect as a standard identification card issued by the Division of Motor Vehicles pursuant to §17B-2-1(f) of this code.

(c)(1) Notwithstanding any other provision of this code, the Division of Motor Vehicles shall accept a valid identification card issued pursuant to this section as sufficient proof of identity, age, and residency of a person applying for an identification card or driver's license pursuant to §17B-2-1 of this code.

(2) If the Division of Motor Vehicles is unable to verify the person's Social Security number by another means, the Division of Motor Vehicles shall contact the Division of Corrections and Rehabilitation to verify the Social Security number provided by such person. The Division of Motor Vehicles shall accept verification by the Division of Corrections and Rehabilitation as sufficient documentation of the person's Social Security number for the purpose of issuing such person an identification card or driver's license pursuant to §17B-2-1 of this code.

(3) The Division of Corrections and Rehabilitation, in collaboration with the Division of Motor Vehicles, shall develop a policy to permit the sharing of released inmates' Social Security numbers for the limited purposes of this section, and shall obtain any necessary written authorization from an inmate prior to the inmate's release from the Division of Corrections and Rehabilitation's custody.

(d) An inmate is not eligible to receive an identification card pursuant to this section if the inmate is in possession of a valid West Virginia identification card or driver's license, which expires more than 30 days after the inmate's date of release from the Division of Corrections and Rehabilitation's custody, or if the inmate is not a citizen of the United States.

(e) Nothing in this section shall be construed to permit or require issuance of an identification card or driver's license for federal use, in violation of the standards promulgated pursuant to the REAL ID Act of 2005, 49 U.S.C. § 30301 *et seq.*

(f) During the six months preceding an inmate's release date from the Division of Corrections and Rehabilitation's custody, the division shall assist the inmate to obtain a certified copy of the inmate's birth certificate, a Social Security card, and a state-issued driver's license or identification card.

(6) To any person who is required by this chapter to take an examination, unless the person has successfully passed the examination;

(7) To any person when the commissioner has good cause to believe that the operation of a motor vehicle on the highways by the person would be inimical to public safety or welfare.

(b) The division may not issue a license or nondriver identification card to any person required to register as a sexually violent predator pursuant to the provisions of article twelve, chapter fifteen, unless he or she obtains a driver's license or nondriver identification card coded by the commissioner to denote that he or she is a sexually violent predator as follows:

(1) If a person is judicially determined to be a sexually violent predator after the effective date of this section, the sentencing court shall order the person or the agency with custody of the person's driver's license or nondriver identification card to surrender said license or card to the court. The sentencing court shall forward to the division all driver's licenses or nondriver identification cards that it receives pursuant to this section, along with a copy of the sentencing order. If a person is registered as a sexually violent predator pursuant to section nine, article twelve, chapter fifteen of this code after the effective date of this section as amended and reenacted during the first extraordinary session of the 2006 Legislature, the person shall surrender their driver's license or nondriver identification card to the division within ten days of their registration with the State Police. Any replacement driver's license or nondriver identification card issued to the person under this section must be coded by the

commissioner to denote the person is a sexually violent predator and shall be issued at no cost to the person.

(2) Within ten business days of the effective date of the amendments to this section made during the first extraordinary session of the 2006 Legislature, the State Police shall provide the division with the name, address and motor vehicle information of every person registered as a sexually violent predator in the state at that time and also provide notice to said registrants of the requirements set forth in said amendments. (c) Upon receipt of a driver's license or nondriver identification card from a sentencing court or individual pursuant to subsection (b) of this section, the division shall cancel said license or card and note the cancellation in its records system so as to prevent the issuance of a replacement or duplicate license or card lacking the coded notation required by subsection (b) of this section.

(d) Upon showing proof that a person is no longer required to register as a sexually violent predator, the division shall, at no charge, issue a driver's license or nondriver identification card without the coded notation printed upon the license. No person issued a driver's license or nondriver identification card pursuant to the amendments to this section made during the first extraordinary session of the 2006 Legislature, may alter or deface the license or card to obscure the special marking identifying the holder as a sexually violent predator.

The division shall immediately revoke the permit upon receipt of a second conviction for a moving violation of traffic regulations and laws of the road or violation of the terms and conditions of a level one instruction permit, which convictions have become final unless a greater penalty is required by this section or any other provision of this code. Any person whose instruction permit has been revoked is disqualified from retesting for a period of 90 days. However, after the expiration of 90 days, the person may retest if otherwise eligible. A holder of a level one instruction permit who is under the age of 18 years may not use a wireless communication device while operating a motor vehicle unless the use of the wireless communication device is for contacting a 9-1-1 system. At the discretion of the commissioner, completion of an approved driver improvement program may be used to negate the effect of a minor traffic violation as defined by the commissioner against the one year conviction-free driving criteria for early eligibility for a level three driver's license and may also negate the effect of one minor traffic violation for purposes of avoiding a second conviction under §17B-2-3a(d)(2)(G) of this code; and

(H) Upon the second conviction for a moving traffic violation or a violation of the terms and conditions of the level two intermediate driver's license, the Division of Motor Vehicles shall revoke or suspend the licensee's privilege to operate a motor vehicle for the applicable statutory period or until the licensee's 18th birthday, whichever is longer, unless a greater penalty is required by this section or any other provision of this code. Any person whose driver's license has been revoked as a level two intermediate driver, upon reaching the age of 18 years and if otherwise eligible, may reapply for an instruction permit, then a driver's license in accordance with §17B-2-5, §17B-2-6 and §17B-2-7 of this code.

Unless otherwise provided in this section or any other section of this code, the holder of a level three full Class E license is subject to the same terms and conditions as the holder of a regular Class E driver's license.

A level two intermediate licensee whose privilege to operate a motor vehicle has not been suspended, revoked, or otherwise canceled and who meets all other requirements of the code may be issued a level three full Class E license without further examination or road skills testing if the licensee:
