(b) The driver's license of any person having his or her license suspended shall be reinstated

if:

(1) The license was suspended under the provisions of subdivision (7), subsection (a) of this section and the payment of costs, fines, forfeitures, or penalties imposed by the applicable court has been made;

(3) The license was suspended under the provisions of subdivision (10), subsection (a) of this section and the division has received a court order restoring the license or a certification by the Child Support Enforcement Division that the licensee is complying with the original support order or a new or modified order that provides for the payment of current support and any arrearage due.

(c) Any reinstatement of a license under subdivision (1), (2) or (3), subsection (b) of this section shall be subject to a reinstatement fee designated in section nine of this article.

(d) Upon suspending, or restricting the driver's license of any person as hereinbefore in this section authorized, the division shall immediately notify the licensee in writing, sent by certified mail, return receipt requested, to the address given by the licensee in applying for license, and upon his or her request shall afford him or her an opportunity for a hearing as early as practical within not to exceed 20 days after receipt of such request in the county wherein the licensee resides unless the division and the licensee agree that such hearing may be held in some other county. Upon such hearing the commissioner or his or her duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a reexamination of the licensee. Upon such hearing the division shall either rescind its order of suspension, or restriction or, good cause appearing therefor, may extend the suspension, or restriction of such license or revoke such license. The provisions of this subsection providing for notice and hearing are not applicable to a suspension under subdivision (10), subsection (a) of this section. Any person whose driver's license is suspended, restricted, or revoked after hearing with the commissioner may seek judicial review of the final order or decision in accordance with §29A-5-4 of this code.

(e) Notwithstanding the provisions of legislative rule 91 CSR 5, the division may, upon completion of an approved defensive driving course, deduct three points from a licensee's point accumulation provided the licensee has not reached 14 points. If a licensee has been notified of a pending 30-day driver's license suspension based on the accumulation of 12 or 13 points, the licensee may submit proof of completion of an approved defensive driving course to deduct three points and rescind the pending license suspension: *Provided*, That the licensee submits proof of prior completion of the course and payment of the reinstatement fee in accordance with section nine, article three of this chapter to the division prior to the effective date of the suspension.
