WEST VIRGINIA CODE: §17C-15-45

§17C-15-45. Certification labels on mopeds.

Every moped sold in this state shall have permanently affixed to it a certification label which shall contain the following information:

(1) Name of manufacturer;

(2) Month and year of manufacture;

(3) Gross vehicle weight rating (GVWR);

(4) Gross axle weight rating for front and rear axles (GAWR);

(5) Vehicle identification number;

(6) Classification type; and

(7) Statement of conformance to federal standards as required by federal law.
