§17A-6-2. Legislative findings, declaration of public policy and dealer recovery fund.

(a) The Legislature hereby determines and finds that in the past some persons engaged in the business of selling new or used motor vehicles, house trailers, trailers, recreational vehicles, motorcycles, or used motor vehicle parts, and in the business of wrecking or dismantling motor vehicles, have not had the necessary qualifications, staff, equipment or facilities to adequately serve the public; that some persons engaged in the businesses have made false and deceptive claims and advertisements to the public and have engaged in fraud and other illegal conduct; that certain citizens of this state have sustained financial losses as a result thereof; and that in some of the cases there has been no adequate means to prevent the conduct or protect the interests of the citizens of West Virginia. It is, therefore, declared to be the public policy of this state that the business of new motor vehicle dealer, used motor vehicle dealer, house trailer dealer, trailer dealer, recreational vehicle dealer, motorcycle dealer, used parts dealer, or wrecker or dismantler, affects the general welfare of this state and its citizens; that persons without the necessary qualifications, staff, equipment or facilities to adequately serve the public, and persons not of good character or who have or are likely to attempt to misrepresent their product or engage in fraudulent or other illegal conduct should not engage in these businesses; and that the evils may best be prevented and the interests of the public best served by requiring persons in the businesses to meet the qualifications set forth in this article and to be licensed by the Commissioner of Motor Vehicles as provided in this article.

(b) The Legislature further determines and finds that there exists a significant problem when a motor vehicle dealer goes out of business or engages in business practices that cause citizens or businesses of the affected community, as well as this state substantial financial loss. It is, therefore determined, that the creation of a dealer recovery fund is necessary as a remedial measure to allow both the state and the citizens of this state to recover any taxes which have not been properly remitted to the state and to provide financial relief to citizens, businesses and other motor vehicle dealers who have suffered financial harm through the failure of a motor vehicle dealer to properly fulfill its responsibilities such as failure to properly release liens and deliver clear title in motor vehicle transactions.

§17A-6-2a. Dealer recovery fund created.

(a) There is hereby created a special fund in the State Treasury which is to be designated the "Dealer Recovery Fund." The fund consists of certain moneys received from persons engaged in the business of selling new or used motor vehicles, new or used motorcycles, trailers, multitrailers or recreational vehicles and from grants, gifts, bequests or awards arising out of the settlement or adjudication of a claim. The fund is not to be treated by the Auditor and Treasurer as part of the general revenue of the state. The fund is to be a special revolving fund paid out upon order of the Commissioner of Motor Vehicles based on the recommendation of the Dealer Recovery Fund control board created in this section, solely for the purposes specified in this section. The commissioner may use up to one percent of funds from the Dealer Recovery Fund for the administrative expenses of operating the Dealer Recovery Fund program.

(b) The Dealer Recovery Fund control board consists of the Commissioner of Motor Vehicles or his or her designee, the Attorney General's designee representing the Office of Consumer Protection and one representative selected by the Motor Vehicle Dealer's Advisory Board. The Commissioner of Motor Vehicles or his or her designee serves as chair and the board shall meet at least once a year during the month of July, and as required by the commissioner. The board may hear claims consistent only with the purposes specified in this section. The board may recommend rejection or acceptance of a claim, in full or in part. The recommendation of the board requires a majority vote of the board. The commissioner may propose rules for promulgation in accordance with §29A-3-1 et seq. of this code that are necessary to effectuate the provisions of this section. The commissioner may employ the necessary staff needed to operate the program. The board may prorate the amount paid on claims when the aggregate amount of valid claims submitted would exceed 33 percent of the fund. However, claims presented by the Division of Motor Vehicles for taxes and fees shall be paid in full. The board may purchase insurance at a cost not to exceed one percent of the fund to cover extraordinary or excess claims from the fund.

(c) Every applicant for either an original dealer license or renewal of an existing dealer license of the type enumerated in subsection (a) of this section shall pay, in addition to any other license fee, an annual Dealer Recovery Fund fee of \$150. All dealers shall continue to maintain a surety bond as required by this article and the Dealer Recovery Fund payment unless exempt by one of the following requirements:

(1) Any dealer who, for the three years immediately preceding assessment of the fees, has not had a claim paid against their bond or against the Dealer Recovery Fund, whose license has not been suspended or revoked and who has not been assessed any civil penalties is not required to continue to keep the bond required by this article. However, no dealer can submit a claim against the fund unless it has contributed to the fund for at least three years.

(2) If the Dealer Recovery Fund reaches or exceeds the amount of \$3,000,000 as of July 1, of any year, a dealer who meets the requirements of subdivision (1) of this subsection, is

exempt from payment of the annual Dealer Recovery Fund fee. However, if the fund should, as of April 1 of any year, drop below \$3,000,000, all dealers, regardless of any previous exemption shall pay the annual dealer recovery fee of \$150. The exemption prescribed in subdivision (1) of this subsection remains in effect regardless of the status of the fund.

(d) The Dealer Recovery Fund control board may consider payment only after any dealer surety bond required pursuant to the provisions of section four of this article has been exhausted.

(e) When the fund reaches \$250,000, the board shall consider claims for payment.

(f) Claims against the fund are not to be made for any act or omission which occurred prior to July 1, 2002.

(g) Claims for payment shall be submitted within six months of the date of sale or the date the division is made aware of the claim.

(h) The board shall pay claims in the following order:

(1) Claims submitted by the Division of Motor Vehicles for unpaid taxes and fees;

(2) Claims submitted by a retail purchaser of a vehicle from a dealer covered by the fund with an undisclosed lien or a retail purchaser of a vehicle from a dealer covered by the fund who finds that the lien on the vehicle traded in has not been satisfied by the selling dealer if the lien satisfaction was a condition of the purchase agreement;

(3) Claims submitted by a motor vehicle dealer contributing to the fund, which has purchased a vehicle or vehicles from another dealer covered by the fund with an undisclosed lien;

(4) Claims submitted by a retail purchaser of third party goods or services from a dealer covered by the fund for the unpaid charges when the dealer fails to pay the third party for the goods or services; or

(5) Claims submitted by the Division of Motor Vehicles, a retail purchaser or a motor vehicle dealer contributing to the fund, not authorized by subdivisions (1) through (4) of this subsection, but otherwise payable under the bond described in section four of this article, may be considered for payment by the board up to the amount of \$50,000 for each licensing year the West Virginia dealer that is the subject of the complaint did not maintain the bond: Provided, That the board may not consider claims submitted by or on behalf of a financial institution for money owed by a dealer upon a loan to a dealer or credit extended to a dealer that is secured by a lien upon the inventory of the dealer, commonly referred to as a floor planner.

(i) Payments under this section may not include payment for claims of punitive or exemplary damages, compensation for property damage other than to the vehicle, recompense for any

personal injury or inconvenience, reimbursement for alternate transportation or payment for attorney fees, legal expenses, court costs or accrued interest.

(j) The maximum claim against the fund for any unpaid lien of a used vehicle is the unpaid balance of the lien up to the loan value of the vehicle as of the date of the sale or other transaction as shown by a generally accepted motor vehicle value guide. The maximum claim against the fund for any new or unused vehicle is the amount of the invoice less any amounts rebated or to be rebated to the dealer from the manufacturer. Payment is only to be made to a secured party who agrees to accept payment from the Dealer Recovery Fund and who accepts the payment in full settlement of any claims, and who releases the lien and the title, if applicable, prior to receiving payment. Any dealer who agrees to accept payment from the Dealer Recovery Fund shall release the title prior to receiving payment.

(k) On payment by the board to a claimant from the fund, the board shall immediately notify the licensee against whom a claim was paid and request full reimbursement within thirty days of notification. If a dealer fails to fully reimburse the board within the specified period of time, the commissioner shall immediately and without prior hearing revoke the dealer license of dealer against whom the claim was paid. No applicant with an unpaid claim is eligible for renewal or relicensure until the full amount of the reimbursement plus interest as determined by the board is paid to the fund. This section does not limit the authority of the commissioner to suspend, revoke or levy civil penalties against a dealer, nor does full repayment of the amount owed to the fund necessarily nullify or modify the effect of any action by the commissioner.

(l) This section does not limit the right of any person to seek relief through civil action against any other person.

(m) The provisions of this section do not apply to those class DTR dealers in the business of selling manufactured housing and covered by the state manufactured housing recovery fund established by the Division of Labor pursuant to a legislative rule.

In the event the commissioner shall receive a sworn complaint in writing alleging a violation of any of the provisions of this chapter by a licensee, and the commissioner does not within thirty days thereafter make and enter an order with respect thereto, the complainant may file a sworn complaint with the board. Upon receipt of any such sworn complaint, the board may investigate the matter, and hold a hearing with respect thereto and decide the matter with like effect as if the commissioner had made and entered an order and the licensee had appealed such order to the board. §17A-6-23. Judicial review.

(a) Any person or the commissioner adversely affected by a final order made and entered by the board is entitled to judicial review thereof. All of the pertinent provisions of section four, article five, chapter twenty-nine-a of this code shall apply to and govern such review with like effect as if the provisions of said section four were set forth in extenso in this section.

(b) The judgment of the circuit court shall be final unless reversed, vacated or modified on appeal to the Supreme Court of Appeals in accordance with the provisions of section one, article six, chapter twenty-nine-a of this code.

§17A-6-24. Actions to enjoin violations; injunctive relief.

(a) Whenever it appears to the commissioner that any person has been or is violating or is about to violate any provision of this article or any final order of the commissioner or board, the commissioner may apply in the name of the state, to the circuit court of the county in which the violation or violations or any part thereof has occurred, is occurring or is about to occur, or the judge thereof in vacation, for an injunction against such person and any other persons who have been, are or are about to be, involved in, or in any way participating in, any practices, acts or omissions, so in violation, enjoining such person or persons from any such violation or violations. Such application may be made and prosecuted to conclusion whether or not any such violation or violations have resulted or shall result in prosecution or conviction under the provisions of article eleven of this chapter.

(b) Upon application by the commissioner, the circuit courts of this state may by mandatory or prohibitory injunction compel compliance with the provisions of this article and all final orders of the commissioner or board. The court may issue a temporary injunction in any case pending a decision on the merits of any application filed.

(c) The judgment of the circuit court upon any application permitted by the provisions of this section shall be final unless reversed, vacated or modified on appeal to the Supreme Court of Appeals. Any such appeal shall be sought in the manner and within the time provided by law for appeals from circuit courts in other civil cases.

(d) The commissioner shall be represented in all such proceedings by the Attorney General or his assistants and in such proceedings in the circuit courts by the prosecuting attorneys of the several counties as well, all without additional compensation and in accordance with the provisions of said section twenty, article two of this chapter. With the written approval of the Attorney General, the commissioner may employ special counsel to represent him in any such proceeding.

§17A-6-25. Inspections; violations and penalties.

(a) The commissioner and all law-enforcement officers of the state, acting at the commissioner's request, are hereby authorized to inspect the place of business, vehicles and pertinent records, documents and papers of any person required to be licensed under the provisions of this article to the extent deemed reasonably necessary to determine compliance with and violations of this article. For the purpose of making any such inspection, the commissioner and such law-enforcement officers are authorized, at reasonable times, to enter in and upon any such place of business and any other public garage or enclosure where vehicles are sold, stored, hired or repaired.

(b) Any person who shall violate any provision of this article or any final order of the commissioner or board hereunder shall be guilty of a misdemeanor and, the provisions of article eleven of this chapter governing violations of this chapter generally shall be fully applicable thereto.

§17A-6-25a. Civil penalties.

(a) In addition to any other remedy or penalty provided by law, the commissioner may levy and collect a civil fine, in an amount not to exceed \$1,000 for each first violation, against any person who violates the provisions of this article, article six-b, article six-c or article six-d of this chapter, any of the rules or policies implemented to enforce those articles, or any lawful order of the commissioner pursuant to authority set forth in those articles. Every transaction which violates this article, article six-b, article six-c or article six-d of this chapter shall be considered a separate violation. For a second violation, being any violation occurring within three years following any previous violation for which the violator has been disciplined pursuant to section eighteen, article six of this chapter, the commissioner may levy and collect a fine in an amount not to exceed \$2,500 and for a third and subsequent violation occurring within the three-year period following the first violation, the commissioner may levy and collect a fine in an amount not to exceed \$5,000.

(b) A fine assessed under this section shall not take effect until the commissioner sends to the person against whom the penalty is assessed by certified mail, return receipt requested, a notice of violation finding that the person has committed an offense. The notice shall contain:

- (1) A statement of the offense the person committed;
- (2) A summary of the facts on which the finding of a violation was made;
- (3) The amount of the fine which is being levied; and
- (4) An order that the person:
 - (A) Cease and desist from all future violations and pay the fine; or
 - (B) Protest in writing the findings of the commissioner or the amount of the assessed fine and request a hearing.

Any request for a hearing must be received by the commissioner within thirty days after the mailing date of the notice of violation. The notice of violation may be sent to any address which the person has used on any title or license application, or other filing or record which the commissioner believes is current. Failure of any person to receive a notice of violation does not preclude the fine from taking effect. However, the commissioner shall accept as timely a request for hearing from any person who, within one year of the date the notice of violation was sent, provides satisfactory proof that he or she did not receive the notice of violation and that good cause exists to excuse his or her failure to receive the notice of violation and that he or she wishes in good faith to assert a protest to the notice of violation. The pendency of the one-year period shall not keep any penalty from taking effect, but the commissioner shall stay enforcement of the fine upon his or her acceptance of any notice filed after the thirty-day period pending the outcome of the appeal.

(c) Upon receipt of a timely request, the commissioner shall afford the person a hearing in accordance with the rules of the Division of Motor Vehicles. The commissioner, in addition to considering the evidence relied upon to prove or defend against a finding of a violation, shall also evaluate the appropriateness of the amount of the civil penalty. In making such evaluation, the commissioner shall consider:

- (1) The severity of the violation and its impact on the public;
- (2) The number of similar or related violations;
- (3) Whether the violations were willful or intentional; and
- (4) Any other facts considered appropriate.

(d) In addition to any other findings of fact or conclusions of law, the commissioner may reduce the civil penalty to a stated amount. The appellant may, at any time during the pendency of the appeal, enter into a settlement agreement with the commissioner. The settlement agreement may provide for a reduction in the penalty and may provide that the appellant does not admit a violation. The entry into a settlement agreement or the payment of any fine pursuant to a settlement agreement which states that the appellant does not admit a violation shall not amount to an admission of guilt for purposes of any criminal prosecution.

(e) Upon the expiration of all periods for protest or appeal of a notice of violation, including judicial review pursuant to section four, article five, chapter twenty-nine-a of this code, the notice of violation shall have the same force and effect and be enforceable as a judgment entered by any court of law of this state.

(f) If a corporation is found to have committed a violation against which a penalty may be assessed under this section, any officer of the corporation who is found to have knowingly and intentionally committed the violation, to have knowingly and intentionally directed another to commit the violation or to have knowingly and intentionally failed to take reasonable steps to prevent another from committing the violation, may be individually found to be in violation and assessed a civil penalty as provided by this section.

§17A-6-26. Construction.

- (a) The provisions of this article shall be liberally construed so as to effectuate its purposes.
- (b) All of the provisions of this chapter expressly stated to be applicable throughout such chapter shall be as fully applicable to this act as if they were set forth in extenso herein.
