ARTICLE I. FINDINGS AND DECLARATION OF POLICY.

(a) The party states find that:

- (1) The safety of their streets and highways is materially affected by the degrees of compliance with state laws and local ordinances relating to the operation of motor vehicles.
- (2) Violation of such a law or ordinance is evidence that the violator engages in conduct which is likely to endanger the safety of persons and property.
- (3) The continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.

(b) It is the policy of each of the party states to:

- (1) Promote compliance with the laws, ordinances and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles.
- (2) Make the reciprocal recognition of licenses to drive and eligibility therefor more just and equitable by considering the overall compliance with motor vehicle laws, ordinances and administrative rules and regulations as a condition precedent to the continuance or issuance of any license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states.

ARTICLE II. DEFINITIONS.

As used in this compact:

- (a) "State" means a state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.
- (b) "Home state" means the state which has issued and has the power to suspend or revoke the use of the license or permit to operate a motor vehicle.
- (c) "Conviction" means a conviction of any offense related to the use or operation of a motor vehicle which is prohibited by state law, municipal ordinance, or administrative rule, or a forfeiture of bail, bond, or other security deposited to secure appearance by a person

ARTICLE III. REPORTS OF CONVICTION.

The licensing authority of a party state shall report each conviction of a person from another party state occurring within its jurisdiction to the licensing authority of the home state of the licensee. Such report shall clearly identify the person convicted; describe the violation specifying the section of the statute, code, or ordinance violated; identify the court in which action was taken; indicate whether a plea of guilty or not guilty was entered, or the conviction was a result of the forfeiture of bail, bond, or other security; and shall include any special findings made in connection therewith.

ARTICLE IV. EFFECT OF CONVICTION.

(a) The licensing authority in the home state, for the purposes of suspension, revocation, or limitation of the license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to Article III of this compact, as it would if such conduct had occurred in the home state, in the case of convictions for:

(1) Manslaughter, homicide, or any offense contained within §17C-5-1 of this code, resulting from the operation of a motor vehicle;

(2) Driving a motor vehicle while under the influence of intoxicating liquor or a narcotic drug, or under the influence of any other drug to a degree which renders the driver incapable of safely driving a motor vehicle;

(c) If the laws of a party state do not provide for offenses or violations denominated or described in precisely the words employed in subsection (a) of this article, such party state shall construe the denominations and descriptions appearing in subsection (a) of this article as being applicable to and identifying those offenses or violations of a substantially similar nature and the laws of such party state shall contain such provisions as may be necessary to ensure that full force and effect is given to this article.

ARTICLE V. APPLICATIONS FOR NEW LICENSES.

Upon application for a license to drive, the licensing authority in a party state shall ascertain whether the applicant has ever held, or is the holder of a license to drive issued by any other

party state. The licensing authority in the state where application is made shall not issue a license to drive to the applicant if:

- (1) The applicant has held such a license, but the license has been suspended by reason, in whole or in part, of a violation and if such suspension period has not terminated.
- (2) The applicant has held such a license, but the same has been revoked by reason, in whole or in part, of a violation and if such revocation has not terminated, except that after the expiration of one year from the date the license was revoked, such person may make application for a new license if permitted by law. The licensing authority may refuse to issue a license to any such applicant if, after investigation, the licensing authority determines that it will not be safe to grant to such person the privilege of driving a motor vehicle on the public highways.
- (3) The applicant is the holder of a license to drive issued by another party state and currently in force unless the applicant surrender such license.

- (a) This compact shall enter into force and become effective as to any state when it has enacted the compact into law.
- (b) Any party state may withdraw from this compact by enacting a statute repealing the compact, but no such withdrawal shall take effect until six months after the executive head of the withdrawing state has given notice of the withdrawal to the executive heads of all other party states. No withdrawal shall affect the validity or applicability by the licensing authorities of states remaining party to the compact of any report of conviction occurring

prior to the withdrawal.

ARTICLE IX. CONSTRUCTION AND SEVERABILITY.

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact are severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of any party state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. §17B-1C-1. Authorization for entry into nonresident violator compact.

The Governor of this state is hereby authorized and directed to execute a compact on behalf of the State of West Virginia with any state of the United States legally joining therein in form substantially as follows:

ARTICLE I. FINDINGS, DECLARATION OF POLICY AND PURPOSE.

A. The party jurisdictions find that:

(1) In most instances, a motorist who is cited for a traffic violation in a jurisdiction other than his home jurisdiction:

(a) Must post collateral or bond to secure appearance for trial at a later date; or

(b) If unable to post collateral or bond, is taken into custody until the collateral or bond is posted; or

(c) Is taken directly to court for his trial to be held.

(2) In some instances, the motorist's driver's license is deposited as collateral to be returned after he has complied with the terms of the citation.

(3) The purpose of the practices described in paragraphs (1) and (2) above is to ensure compliance with the terms of a traffic citation by the motorist who, if permitted to continue on his way after receiving the traffic citation, could return to his home jurisdiction and disregard his duty under the terms of the traffic citation.

(4) A motorist receiving a traffic citation in his home jurisdiction is permitted, except for certain violations, to accept the citation from the officer at the scene of the violation and to immediately continue on his way after promising or being instructed to comply with the terms of the citation.

(5) The practice described in paragraph (1) above causes unnecessary inconvenience and, at times, a hardship for the motorist who is unable at the time to post collateral, furnish a bond, stand trial or pay the fine and thus is compelled to remain in custody until some arrangement can be made.

(6) The deposit of a driver's license as a bail bond, as described in paragraph (2) above, is viewed with disfavor.

(7) The practices described herein consume an undue amount of law-enforcement time.

B. It is the policy of the party jurisdictions to:

(1) Seek compliance with the laws, ordinances and administrative rules and regulations

relating to the operation of motor vehicles in each of the jurisdictions.

(2) Allow motorists to accept a traffic citation for certain violations and proceed on their way without delay whether or not the motorist is a resident of the jurisdiction in which the citation was issued.

(3) Extend cooperation to its fullest extent among the jurisdictions, each as to the other, for obtaining compliance with the terms of a traffic citation issued in one jurisdiction to a resident of another jurisdiction.

(4) Maximize effective utilization of law-enforcement personnel and assist court systems in the efficient disposition of traffic violations.

C. The purpose of this compact is to:

(1) Provide a means through which jurisdictions may participate in a reciprocal program to effectuate the policies enumerated in paragraph B above, in a uniform and orderly manner.

(2) Provide for the fair and impartial treatment of traffic violators operating within party jurisdiction in recognition of the motorist's right of due process and the sovereign status of a party jurisdiction.

ARTICLE II. DEFINITIONS.

In the nonresident violator compact, the following words have the meaning indicated, unless the context requires otherwise.

(1) "Citation" means any summons, ticket or other official document issued by a police officer for a traffic violation containing an order which requires the motorist to respond.

(4) "Driver's license" means any license or privilege to operate a motor vehicle issued under the laws of the home jurisdiction.

(5) "Home jurisdiction" means the jurisdiction that issued the driver's license of the traffic violator.

(10) "Police officer" means any individual authorized by the party jurisdiction to issue a citation for a traffic violation.

(11) "Terms of the citation" means those options expressly stated upon the citation.

ARTICLE III. PROCEDURE FOR ISSUING JURISDICTION.

A. When issuing a citation for a traffic violation, a police officer shall issue the citation to a motorist who possesses a driver's license issued by a party jurisdiction and shall not, subject to the exceptions noted in paragraph B of this article, require the motorist to post collateral to secure appearance, if the officer receives the motorist's signed personal recognizance that he will comply with the terms of the citation.

B. Personal recognizance is acceptable only if not prohibited by law. If mandatory appearance is required, it must take place immediately following issuance of the citation.

C. Upon failure of a motorist to comply with the terms of a traffic citation, the appropriate official shall report the failure to comply to the licensing authority of the jurisdiction in which the traffic citation was issued. The report shall be made in accordance with procedures specified by the issuing jurisdiction and shall contain information as specified in the compact manual as minimum requirements for effective processing by the recipient jurisdiction.

D. Upon receipt of the report, the licensing authority of the issuing jurisdiction shall transmit to the licensing authority in the home jurisdiction of the motorist the information in a form and content as contained in the compact manual.

E. The licensing authority of the issuing jurisdiction may not suspend the privilege of a motorist for whom a report has been transmitted.

F. The licensing authority of the issuing jurisdiction shall not transmit a report on any violation if the date of transmission is more than six months after the date on which the traffic citation was issued.

G. The licensing authority of the issuing jurisdiction shall not transmit a report on any violation where the date of issuance of the citation predates the most recent of the effective dates of entry for the two jurisdictions affected.

ARTICLE IV. PROCEDURE FOR HOME JURISDICTION.

A. Upon receipt of a report of a failure to comply from the licensing authority of the issuing jurisdiction, the licensing authority of the home jurisdiction shall notify the motorist and initiate a suspension action, in accordance with the home jurisdiction's procedures, to suspend the motorist's driver's license until satisfactory evidence of compliance with the terms of the traffic citation has been furnished to the home jurisdiction licensing authority. Due process safeguards will be afforded.

B. The licensing authority of the home jurisdiction shall maintain a record of actions taken and make reports to issuing jurisdictions as provided in the compact manual.

ARTICLE V. APPLICABILITY OF OTHER LAWS.

Except as expressly required by provisions of this compact, nothing contained herein shall be construed to affect the right of any party jurisdiction to apply any of its other laws relating to licenses to drive to any person or circumstance, or to invalidate or prevent any driver license agreement or other cooperative arrangement between a party jurisdiction and a nonparty jurisdiction.

ARTICLE VI. COMPACT ADMINISTRATOR PROCEDURES.

A. For the purpose of administering the provisions of this compact and to serve as a governing body for the resolution of all matters relating to the operation of this compact, a board of compact administrators is created. The board shall be composed of one representative from each party jurisdiction to be known as the compact administrator. The compact administrator shall be appointed by the jurisdiction executive and will serve and be subject to removal in accordance with the laws of the jurisdiction he represents. A compact administrator may provide for the discharge of his duties and the performance of his functions as a board member by an alternate. An alternate may not be entitled to serve unless written notification of his identity has been given to the board.

F. The board may contract with, or accept services or personnel from, any government or intergovernmental agency, person, firm or corporation, or any private nonprofit organization or institution.

G. The board shall formulate all necessary procedures and develop uniform forms and documents for administering the provisions of this compact. All procedures and forms adopted pursuant to board action shall be contained in the compact manual.

ARTICLE VII. ENTRY INTO COMPACT AND WITHDRAWAL.

C. A party jurisdiction may withdraw from this compact by official written notice to the other party jurisdictions, but a withdrawal shall not take effect until ninety days after notice of withdrawal is given. The notice shall be directed to the compact administrator of each member jurisdiction. No withdrawal shall affect the validity of this compact as to the remaining party jurisdictions.

The provisions of this compact shall not apply to parking or standing violations, highway weight limit violations and violations of law governing the transportation of hazardous materials.

ARTICLE IX. AMENDMENTS TO THE COMPACT.

A. This compact may be amended from time to time. Amendments shall be presented in resolution form to the chairman of the board of compact administrators and may be initiated by one or more party jurisdictions.

B. Adoption of an amendment shall require endorsement of all party jurisdictions and shall become effective thirty days after the date of the last endorsement.

C. Failure of a party jurisdiction to respond to the compact chairman within one hundred and twenty days after receipt of the proposed amendment shall constitute endorsement.

ARTICLE X. CONSTRUCTION AND SEVERABILITY.

This compact shall be liberally construed so as to effectuate the purposes stated herein. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of any party jurisdiction or of the United States or the applicability thereof to any government, agency, person or circumstance, the compact shall not be affected thereby. If this compact shall be held contrary to the Constitution of any jurisdiction party thereto, the compact shall remain in full force and effect as to the remaining jurisdictions and in full force and effect as to the jurisdiction affected as to all severable matters.

Licenses shall be issued in different colors for those drivers under age 18, those drivers age 18 to 21, and adult drivers. The commissioner is authorized to select and assign colors to the licenses of the various age groups.

(c) The following drivers' licenses classifications are hereby established:

(1) A Class A, B, or C license shall be issued to those persons 18 years of age or older with two years of driving experience who have qualified for the commercial driver's license established by Chapter 17E of this code and the federal Motor Carrier Safety and Improvement Act of 1999 subsequent rules, and have paid the required fee.

For the purpose of regulating the operation of motor vehicles, wherever the term "chauffeur's license" is used in this code, it means the Class A, B, C, or D license described in this section or Chapter 17E of this code or federal law or rule: Provided, That anyone not required to be licensed under the provisions of Chapter 17E of this code and federal law or rule and who operates a motor vehicle registered or required to be registered as a Class A motor vehicle, as that term is defined in §17A-10-1 of this code, with a gross vehicle weight rating of less than 8,001 pounds, is not required to obtain a Class D license.

An honorably discharged veteran may be issued a replacement license without charge if the request is made before the expiration date of the current license and the only purpose for receiving the replacement license is to get the veterans designation placed on the license.

(e) No person, except those hereinafter expressly exempted, may drive a motorcycle on a street or highway in this state or on a subdivision street used by the public generally unless the person has a valid motorcycle license, a valid license which has been endorsed under §17A-2-17b of this code for motorcycle operation, or a valid motorcycle instruction permit.

Any surrendered license issued by any other state or jurisdiction shall be destroyed or at the discretion of the division retained by the division and the division shall notify the original state of licensure that the person who surrendered the license has been licensed in this state. (b) A valid identification card issued pursuant to this section shall have the same force and effect as a standard identification card issued by the Division of Motor Vehicles pursuant to §17B-2-1(f) of this code.

(c)(1) Notwithstanding any other provision of this code, the Division of Motor Vehicles shall accept a valid identification card issued pursuant to this section as sufficient proof of identity, age, and residency of a person applying for an identification card or driver's license pursuant to §17B-2-1 of this code.

(2) If the Division of Motor Vehicles is unable to verify the person's Social Security number by another means, the Division of Motor Vehicles shall contact the Division of Corrections and Rehabilitation to verify the Social Security number provided by such person. The Division of Motor Vehicles shall accept verification by the Division of Corrections and Rehabilitation as sufficient documentation of the person's Social Security number for the purpose of issuing such person an identification card or driver's license pursuant to §17B-2-1 of this code.

(3) The Division of Corrections and Rehabilitation, in collaboration with the Division of Motor Vehicles, shall develop a policy to permit the sharing of released inmates' Social Security numbers for the limited purposes of this section, and shall obtain any necessary written authorization from an inmate prior to the inmate's release from the Division of Corrections and Rehabilitation's custody.

(d) An inmate is not eligible to receive an identification card pursuant to this section if the inmate is in possession of a valid West Virginia identification card or driver's license, which expires more than 30 days after the inmate's date of release from the Division of Corrections and Rehabilitation's custody, or if the inmate is not a citizen of the United States.

(e) Nothing in this section shall be construed to permit or require issuance of an identification card or driver's license for federal use, in violation of the standards promulgated pursuant to the REAL ID Act of 2005, 49 U.S.C. § 30301 *et seq.*

(6) To any person who is required by this chapter to take an examination, unless the person has successfully passed the examination;

(7) To any person when the commissioner has good cause to believe that the operation of a motor vehicle on the highways by the person would be inimical to public safety or welfare.

(b) The division may not issue a license or nondriver identification card to any person required to register as a sexually violent predator pursuant to the provisions of article twelve, chapter fifteen, unless he or she obtains a driver's license or nondriver identification card coded by the commissioner to denote that he or she is a sexually violent predator as follows:

(1) If a person is judicially determined to be a sexually violent predator after the effective date of this section, the sentencing court shall order the person or the agency with custody of the person's driver's license or nondriver identification card to surrender said license or card to the court. §17B-2A-1. Legislative intent.

It is the intent of the Legislature in enacting this article to protect state residents from the penalties associated with failing to register with the United States selective service system and to help ensure that any future draft is fair and equitable to all potential draftees.

In addition, failure to register may permanently preclude the violator from acquiring many federal benefits, such as federal employment, including employment with the United States postal service, federal and state student financial assistance, participation in federally funded job training programs and eligibility for United States citizenship for immigrants seeking citizenship.

Therefore, in recognition of the severe consequences of noncompliance and the importance of helping ensure that any future draft is fair and equitable, it is the intent of the Legislature to notify state residents of their responsibility to register with selective service and to provide them the opportunity to register concurrent with applying for a driver's license or identification card.

- (d) If the vision specialist certifies that the conditions causing the licensee's visual impairment are unstable or deteriorating, the commissioner may require the licensee to undergo additional testing or training before deciding whether to renew the license.
- (e) If any comprehensive vision examination by a vision specialist determines that the licensee no longer satisfies the minimum visual acuity or visual field standards for licensure, the division shall not renew the license.

§17B-2B-8. Suspension, revocation and reinstatement of license.

(a) The commissioner may immediately suspend the Class G driver's license of any driver who is involved in an accident resulting in bodily injury or death, violates the restrictions placed on his or her license or is convicted of more than one moving violation within a twelve-month period, if the commissioner makes a finding that allowing the licensee to continue to drive pending resolution of the suspension would present a danger to the public.

WV Legislature

§17B-3-1. Authority of division to cancel license.

The division is hereby authorized to cancel any operator's or chauffeur's license in any of the following events:

- (1) When the division determines that the licensee was not entitled to the issuance thereof hereunder; or
- (2) When said licensee failed to give the required or correct information in his application; or
- (3) When said licensee committed any fraud in making such application; or
- (4) When the division determines that the required fee has not been paid and the same is not paid upon reasonable notice or demand.

§17B-3-2. Suspending privileges of nonresidents and reporting convictions.

The privilege of driving a motor vehicle on the highways of this state given to a nonresident hereunder shall be subject to suspension or revocation by the department in like manner and for like cause as an operator's or chauffeur's license issued hereunder may be suspended or revoked.

The department shall, upon receiving a record of the conviction in this state of a nonresident driver of a motor vehicle of any offense under the motor vehicle laws of this state, forward a certified copy of such record to the motor vehicle administrator in the state wherein the person so convicted is a resident.

§17B-3-3. Suspending resident's license upon conviction in another state.

The department is authorized to suspend or revoke the license of any resident of this state or the privilege of a nonresident to drive a motor vehicle in this state upon receiving notice of the conviction of such person in another state of an offense therein which, if committed in this state, would be a ground for the suspension or revocation of the license of an operator or chauffeur.

WV Legislature

§17B-3-3a. Suspending license for failure to respond or appear in court.

(a) The division shall suspend the license of any resident of this state or the privilege of a nonresident to drive a motor vehicle in this state upon receiving notice from a magistrate court or municipal court of this state that such person has failed to respond or appear in court when charged with a motor vehicle violation.

(b) For the purposes of this section, §50-3-2a of this code and §8-10-2b of this code, “motor vehicle violation” is as any violation designated in chapters 17A, 17B, 17C, 17D, or 17E of this code, or the violation of any municipal ordinance relating to the operation of a motor vehicle for which the violation thereof would result in a fine or penalty: *Provided*, That any parking violation or other violation for which a citation may be issued to an unattended vehicle shall not be considered a motor vehicle violation for the purposes of this section, §50-3-2a of this code, or §8-10-2b of this code.

§17B-3-3c. Suspending license for failure to appear in court.

(a) The division shall suspend the license of any resident of this state or the privilege of a nonresident to drive a motor vehicle in this state upon receiving notice from a circuit court, magistrate court, or municipal court of this state, pursuant to §8-10-2b or §62-4-17 of this code, that the person has failed to appear in court when charged with a criminal offense. For the purposes of this section, §8-10-2b or §62-4-17 of this code, "criminal offense" shall be defined as any violation of the provisions of this code, or the violation of any municipal ordinance, for which the violation of the offense may result in a fine, confinement in jail, or imprisonment in a correctional facility of this state: *Provided*, That any parking violation or other violation for which a citation may be issued to an unattended vehicle shall not be considered a criminal offense for the purposes of this section, §8-10-2b or §62-4-17 of this code.

(b) A copy of the order of suspension shall be forwarded to the person by certified mail, return receipt requested. No order of suspension becomes effective until 10 days after receipt of a copy of the order. The order of suspension shall advise the person that because of the receipt of notice of the failure to appear, a presumption exists that the person named in the order of suspension is the same person named in the notice. The commissioner may grant an administrative hearing which substantially complies with the requirements of the provisions of §17C-5A-2 of this code upon a preliminary showing that a possibility exists that the person named in the notice of conviction is not the same person whose license is being suspended. The request for hearing shall be made within 10 days after receipt of a copy of the order of suspension. The sole purpose of this hearing shall be for the person requesting the hearing to present evidence that he or she is not the person named in the notice. In the event the commissioner grants an administrative hearing, the commissioner shall stay the license suspension pending the commissioner's order resulting from the hearing.

(c) A suspension under this section and §17B-3-3a of this code will continue until the person provides proof of compliance from the municipal, magistrate, or circuit court and pays the reinstatement fee as provided in §17B-3-9 of this code. The reinstatement fee is assessed upon issuance of the order of suspension regardless of the effective date of suspension.

(d) Upon notice from an appropriate state official that the person is successfully participating in an approved treatment and job program as prescribed in §61-11-26a of this code, and that the person is believed to be safe to drive, the Division of Motor Vehicles shall stay or supersede the imposition of any suspension under this section or §17B-3-3a of this code. The Division of Motor Vehicles shall waive the reinstatement fee established by the provisions §17B-3-9 upon receipt of proper documentation of the person's successful completion of a program under §61-11-26a of this code and proof of compliance from the municipal, magistrate, or circuit court. The stay or supersedeas shall be removed by the Division of Motor Vehicles upon receipt of notice from an appropriate state official of a participant's failure to complete or comply with the approved treatment and job program as established under §61-11-26a of this code.

§17B-3-4. Abstract of judgment of conviction for violation of motor vehicle laws to be sent to division.

Whenever a conviction is had in any court of record, or in a justice's court, or in the police court or mayor's court of any incorporated municipality, for the violation of any law of this state governing or regulating the licensing or operation of any motor vehicle, or for the violation of any provision of a charter, or bylaw, or ordinance of such incorporated municipality governing or regulating the operation of motor vehicles, except regulations governing standing or parking, the clerk of every such court, or the justice, or the clerk or recorder of such municipality, as the case may be, shall in each case transmit to the division within seventy-two hours after such conviction is had a certified abstract of the judgment on such conviction.

For the purposes of this chapter, a forfeiture of bail or collateral deposited to secure a defendant's appearance in court, which forfeiture has not been vacated, shall be equivalent to a conviction.

Wilful failure, refusal or neglect to comply with the provisions of this section shall subject the person who is guilty thereof to a fine of not less than \$10 nor more than \$50 and may be the grounds for removal from office.

§17B-3-5. Grounds for mandatory revocation of license by department.

The division shall immediately revoke the license of any operator or chauffeur upon receiving a record of such operator's or chauffeur's conviction of any of the following offenses, when such conviction has become final: *Provided*, That if the convicted driver had not reached his or her 19th birthday at the time of the conduct for which the license is revoked under this section, the license shall be revoked until the driver's 19th birthday, or the applicable statutory period of revocation, whichever is longer:

- (1) Manslaughter, homicide, or any offense contained within §17C-5-1 of this code, resulting from the operation of a motor vehicle;
- (2) Any felony in the commission of which a motor vehicle is used;
- (3) Failure to stop and render aid as required under the laws of this state in the event of involvement in a motor vehicle accident resulting in the death or personal injury of another person;

- (5) Conviction, or forfeiture of bail not vacated, upon three charges of reckless driving committed within a period of 24 months;
- (6) Driving under the influence of alcohol, controlled substances or other drugs outside the State of West Virginia which conviction is under a municipal ordinance or statute of the United States or any other state of an offense which has the same elements as an offense described in §17C-5-2 of this code; and
- (7) Nothing herein shall prohibit the division from exercising its authority to revoke or suspend a person's license to drive a motor vehicle in this state, as provided in Chapter 17C of this code.

§17B-3-6. Authority of division to suspend, restrict, or revoke license; hearing.

(a) The division is hereby authorized to suspend, restrict, or revoke the driver's license of any person without preliminary hearing upon a showing by its records or other sufficient evidence that the licensee:

- (1) Has committed an offense for which mandatory revocation of a driver's license is required upon conviction;
- (2) Has by reckless or unlawful operation of a motor vehicle, caused or contributed to an accident resulting in the death or personal injury of another or property damage;
- (3) Has been convicted with such frequency of serious offenses against traffic regulations governing the movement of vehicles as to indicate a disrespect for traffic laws and a disregard for the safety of other persons on the highways;
- (4) Is an habitually reckless or negligent driver of a motor vehicle;

- (6) Has committed an offense in another state which if committed in this state would be a ground for suspension or revocation;
- (7) Has failed to pay or has defaulted on a plan for the payment of all costs, fines, forfeitures, or penalties imposed by a magistrate court or municipal court within 90 days, as required by §50-3-2a of this code or §8-10-2a of this code;
- (8) Has failed to appear or otherwise respond before a magistrate court or municipal court when charged with a motor vehicle violation as defined in section three-a of this article;
- (9) Is under the age of 17 and has withdrawn either voluntarily or involuntarily due to misconduct from a secondary school or has failed to maintain satisfactory academic progress, as provided in §18-8-11 of this code; or
- (10) Has failed to pay overdue child support or comply with subpoenas or warrants relating to paternity or child support proceedings, if a circuit court has ordered the suspension of the license as provided in §48A-5A-1 *et seq.* of this code and the Child Support Enforcement Division has forwarded to the division a copy of the court order suspending the license, or has forwarded its certification that the licensee has failed to comply with a new or modified order that stayed the suspension and provided for the payment of current support and any arrearage due.

(b) The driver's license of any person having his or her license suspended shall be reinstated if:

- (1) The license was suspended under the provisions of subdivision (7), subsection (a) of this

section and the payment of costs, fines, forfeitures, or penalties imposed by the applicable court has been made;

(2) The license was suspended under the provisions of subdivision (8), subsection (a) of this section and the person having his or her license suspended has appeared in court and has prevailed against the motor vehicle violations charged; or

(3) The license was suspended under the provisions of subdivision (10), subsection (a) of this section and the division has received a court order restoring the license or a certification by the Child Support Enforcement Division that the licensee is complying with the original support order or a new or modified order that provides for the payment of current support and any arrearage due.

(c) Any reinstatement of a license under subdivision (1), (2) or (3), subsection (b) of this section shall be subject to a reinstatement fee designated in section nine of this article.

(d) Upon suspending, or restricting the driver's license of any person as hereinbefore in this section authorized, the division shall immediately notify the licensee in writing, sent by certified mail, return receipt requested, to the address given by the licensee in applying for license, and upon his or her request shall afford him or her an opportunity for a hearing as early as practical within not to exceed 20 days after receipt of such request in the county wherein the licensee resides unless the division and the licensee agree that such hearing may be held in some other county. Upon such hearing the commissioner or his or her duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a reexamination of the licensee. Upon such hearing the division shall either rescind its order of suspension, or restriction or, good cause appearing therefor, may extend the suspension, or restriction of such license or revoke such license. The provisions of this subsection providing for notice and hearing are not applicable to a suspension under subdivision (10), subsection (a) of this section. Any person whose driver's license is suspended, restricted, or revoked after hearing with the commissioner may seek judicial review of the final order or decision in accordance with §29A-5-4 of this code.

(e) Notwithstanding the provisions of legislative rule 91 CSR 5, the division may, upon completion of an approved defensive driving course, deduct three points from a licensee's point accumulation provided the licensee has not reached 14 points. If a licensee has been notified of a pending 30-day driver's license suspension based on the accumulation of 12 or 13 points, the licensee may submit proof of completion of an approved defensive driving course to deduct three points and rescind the pending license suspension: *Provided*, That the licensee submits proof of prior completion of the course and payment of the reinstatement fee in accordance with section nine, article three of this chapter to the division prior to the effective date of the suspension.

§17B-3-7. Department may require reexamination.

The department, having good cause to believe that a licensed operator or chauffeur is incompetent or otherwise not qualified to be licensed, may upon written notice of at least five days to the licensee require him to submit to an examination. Upon the conclusion of such examination the department shall take such action as may be appropriate and may suspend or revoke the license of such person or permit him to retain such license, or may issue a license subject to restrictions as permitted under section ten, article two of this chapter. Refusal or neglect of the licensee to submit to such examination shall be ground for suspension or revocation of his license.

§17B-3-8. Suspension for more than one year.

The department shall not suspend a driver's license or privilege to drive a motor vehicle on the public highways for a period of more than one year, except as provided in chapter seventeen-c of this code.

WV Legislature

§17B-3-9. Surrender and return of license not required.

The Division, upon disqualifying, downgrading, suspending or revoking a license, may not require that the license be surrendered to and be retained by the Division. The surrender of a license may not be a precondition to the commencement and tolling of any applicable period of suspension or revocation: *Provided*, That before the license may be reinstated, the licensee shall pay a fee of \$50, in addition to all other fees and charges, which shall be collected by the Division and deposited in a special revolving fund to be appropriated to the Division for use in the enforcement of the provisions of this section.

§17B-3-10. No operation under foreign license during suspension or revocation in this state.

The department shall forthwith revoke the license of any operator or chauffeur upon receipt of certification by the commissioner of welfare that he is a blind person receiving public assistance or that his application for public assistance because of blindness has been approved by the state department of welfare.

WV Legislature

§17B-3-12. Mandatory suspension for fraudulent use of driver's license.

(a) The commissioner shall suspend for a period of ninety days the driver's license of any person upon receipt of a sworn affidavit from any law-enforcement officer, employee of the Alcohol Beverage Control Commission or employee of the Division of Motor Vehicles stating that the person committed any one of the following acts:

(1) Displayed or caused or permitted to be displayed to any law-enforcement officer or employee of the Division of Motor Vehicles or have in his or her possession any fictitious or fraudulently altered driver's license;

(2) Loaned or gave his or her driver's license to any other person or knowingly permitted the use thereof by another for an unlawful or fraudulent purpose;

(3) Displayed or represented as one's own any driver's license not issued to him or her; or

(4) Used a false or fictitious name or birth date on any application for a driver's license or knowingly made a false statement, knowingly concealed a material fact or otherwise committed a fraud in making application for a driver's license.

(b) For the purposes of this section, "driver's license" means any permit, camera card, identification card or driver's license issued by this state or any other state to a person which authorizes the person to drive a motor vehicle of a specific class or classes subject to any restriction or endorsement contained thereon.

(c) No person shall have his or her driver's license suspended under any provision of this section unless he or she shall first be given written notice of such suspension sent by certified mail, return receipt requested, at least twenty days prior to the effective date of the suspension. Within ten days of the receipt of the notice of suspension, the person may submit a written request by certified mail for a hearing and request a stay of the suspension pending the results of the hearing. Upon receipt of the request for a hearing and request for a stay of the suspension, the commissioner shall grant a stay of the suspension pending the results of the hearing. If the commissioner shall after hearing make and enter an order affirming the earlier order of suspension, the person affected shall be entitled to judicial review as set forth in chapter twenty-nine-a of this code and, pending the appeal, the court may grant a stay or supersedeas of such order. If the person does not appeal the suspension or if the suspension is affirmed by the court, the order of suspension shall be effective and the period of suspension shall commence to run.

(d) The suspended driver's license shall be reinstated following the period of suspension and upon compliance with the conditions set forth in this chapter.

This article is known as and may be cited as the William R. Laird IV Second Chance Driver's License Act.

WV Legislature

§17B-7-2. Legislative findings and purpose.

(a) The Legislature finds that allowing individuals who have been unable to obtain a driver's license or to have their driver's licenses reinstated due to unpaid court costs to obtain a stay of the driver's license suspension or revocation will better enable these individuals to return to the workforce and repay unpaid court costs in a timely manner.

(b) The purpose of this article is to create a program that allows the commissioner to temporarily stay a driver's license suspension or revocation for individuals who are accepted into the second chance driver's license program if the individual thereafter remains current in the repayment of unpaid court costs as required by the program.

- (9) "Unpaid court costs" means any fee, fine, expense, cost or other moneys that are required to be paid by a person to a court, pursuant to one or more valid court orders, and have not been paid in full.

§17B-7-4. Second chance driver's license program established; creation and administration by director; program eligibility.

(a) There is hereby established the second chance driver's license program which shall be administered by the director pursuant to the requirements of this article.

(b) To be eligible to participate in the program, a person must:

(2) Be at least twelve months delinquent in payment of unpaid court costs to a court or courts;

(3) Not have any unpaid court costs incurred from charges that involve driving a commercial motor vehicle or which otherwise violate the commercial driver's license requirements in chapter seventeen-e of this code; and

(4) Meet other eligibility requirements established pursuant to the rules developed under section nine of this article.

§17B-7-5. Program acceptance; development of consolidated repayment schedule; no other court fee payments required.

- (a) A person wishing to participate in the Second Chance Driver's License Program shall complete an application form prepared by the director.
- (b) Upon receipt of a person's application, the director shall coordinate with the courts and the commissioner to verify the total amount of the applicant's unpaid court costs in the state of West Virginia at the time of the application.
- (c) All courts shall provide a full accounting of all unpaid court costs assignable to the applicant within 30 days of the request of the director. The accounting shall separately identify the portion of the court costs that constitute a fine, forfeiture, penalty, or the amount due as restitution to a crime victim or costs to be credited to the Crime Victims Compensation Fund pursuant to §62-5-10 of this code remaining unpaid by the applicant for each order of the court for which unpaid balances remain.
- (d) Any unpaid court costs not reported to the director by a court as provided by subsection (c) of this section may not be collected separately by the court during the time in which the applicant is a participant in the program.
- (e) If a participant completes the program, any unpaid court costs, except for unpaid fines, and unpaid amounts due as restitution to a crime victim or costs to be credited to the Crime Victims Compensation Fund pursuant to §62-5-10 of this code, not submitted to the director pursuant to subsection (c) of this section shall be considered waived unless the unpaid court costs were part of an order entered after the date upon which the director requested information for a participant. The driver's license suspension or revocation with respect to any unpaid fine not reported by a court shall be released upon completion of the program by the participant.
- (f) Within 30 days after receipt of information concerning unpaid court costs, the director shall determine if the applicant is eligible to participate in the program. Upon determination, the director shall promptly notify the applicant of his or her acceptance into the program.
- (g) Upon acceptance of the applicant as a participant in the program, the director shall develop a consolidated repayment schedule for the participant, which will require the participant to remit payments on a monthly basis to the director according to guidelines established by the director in legislative rules, subject to the following conditions:
- (1) The monthly payment shall be determined based on the participant's monthly income and expenditures, but may not be less than \$50 per month; and
 - (2) The consolidated repayment schedule shall require full payment of the unpaid court costs within one year.
- (h) The consolidated repayment schedule may be amended to reflect changes in a

participant's circumstances.

(i) The director may permit a hardship waiver of the requirements of subsection (g) of this section, upon a determination that the applicant's circumstances may have changed, and that the objectives of this article are best accomplished if the consolidated repayment schedule requires a lesser monthly payment or a longer period of time to remit the unpaid court costs: *Provided*, That the director may not waive the total amount of unpaid court costs submitted by the courts according to subsection (a) of this section.

(j) Upon acceptance into the program, a participant in good standing with the program is under no obligation to make separate or additional payments of unpaid court costs directly to a court if those unpaid court costs are included in the consolidated repayment schedule.

§17B-7-6. Payments to be made to director; certificate of compliance; failure to comply with consolidated repayment schedule.

(a) Upon acceptance into the program and establishment of a consolidated repayment schedule, the participant shall remit monthly payments to the director in the manner prescribed by the director and in compliance with the consolidated repayment schedule.

(b) Upon receipt of the first monthly payment required by the participant's consolidated repayment schedule, the director shall issue to the commissioner, in writing or electronically, a certificate of compliance verifying the participant's good standing in the program.

(c) If a participant fails to make a monthly payment within thirty days of a deadline set by the consolidated repayment schedule, the director shall immediately issue, in writing or electronically, a certificate of noncompliance to the commissioner stating that the participant is not in good standing in the program.

(2) If a participant fails to make timely monthly payments in accordance with the consolidated repayment schedule on three occasions, the director shall remove the participant from the program and shall issue a program removal notice to the commissioner and applicable courts receiving payments under the program stating that the participant is no longer a participant in the program.

(d) If a participant is convicted of a subsequent criminal offense after acceptance into the program, the director shall remove the participant from the program and, upon removal, the director shall issue a program removal notice to the commissioner and applicable courts receiving payments under the program stating that the participant is no longer a participant in the program.

(e) Upon completion of all monthly payments in the consolidated repayment schedule by the participant, the director shall issue a program completion certificate to the commissioner and the court or courts to whom the participant owed unpaid court costs under the program, stating that the participant completed the program in good standing.

(f) Upon receipt of a program completion certificate by the director stating that the participant has completed the program in good standing, the court or courts whose unpaid court costs were paid according to the consolidated repayment schedule shall enter an order acknowledging payment in full of the unpaid court costs.
