WEST VIRGINIA CODE: §17c-15-22

§17C-15-22. Single-beam road-lighting equipment.

Head lamps arranged to provide a single distribution of light shall be permitted on motor vehicles manufactured and sold prior to one year after the effective date of this chapter in lieu of multiple-beam road-lighting equipment herein specified if the single distribution of light complies with the following requirements and limitations:

(1) The head lamps shall be so aimed that when the vehicle is not loaded none of the high-intensity portion of the light shall at a distance of twenty-five feet ahead project higher than a level of five inches below the level of the center of the lamp from which it comes, and in no case higher than forty-two inches above the level on which the vehicle stands at a distance of seventy-five feet ahead.

(2) The intensity shall be sufficient to reveal persons and vehicles at a distance of at least two hundred feet.
