

WEST VIRGINIA CODE: §17c-17-10

§17C-17-10. Officers may weigh, measure or examine vehicles and require removal or rearrangement of excess loads.

(a) Any police officer or employee of the Division of Highways or the Public Service Commission designated as a commercial vehicle enforcement officer or member of an official weighing crew by his or her representative agency may require the driver of any vehicle or combination of vehicles located on or within one hundred feet of any public highway or right-of-way, and whether moving or stopped, to submit the vehicle or combination of vehicles to a weighing with portable or stationary weighing devices or submit the vehicle or combination of vehicles to a measuring or to any other examination necessary to determine if the vehicle or combination of vehicles is in violation of any of the provisions of this article or article seventeen-a of this chapter, and may require that the vehicle or combination of vehicles be driven to the nearest weighing device.

No vehicle or combination of vehicles may be detained for weighing unless a portable or stationary weighing device is actually present at the location where, and at the time, the vehicle or combination of vehicles is stopped or unless the vehicle or combination of vehicles is escorted immediately after being stopped to the nearest portable or stationary weighing device. In no case may a vehicle or combination of vehicles be detained more than one hour from the time it is stopped for weighing unless the vehicle or combination of vehicles is impounded for another violation or placed out of service for a safety violation.

(b) Whenever a police officer or a member of an official weighing crew or a commercial vehicle enforcement officer determines that a vehicle or combination of vehicles is in violation of any of the provisions of this article or article seventeen-a of this chapter, he or she may require the driver to remain in place or be moved to a suitable location until the vehicle or combination of vehicles is brought into conformity with the provisions violated.

In the case of a weight violation all material unloaded shall be cared for by the owner, lessee or borrower of the vehicle or combination of vehicles at the risk of the owner, lessee or borrower: *Provided*, That no criminal charge shall be preferred against any driver, operator or owner of a vehicle when a rearrangement of the load upon the vehicle, without removal of the load from the vehicle, reduces the axle loads of the vehicle to the limit permitted under this chapter.

(c) Any driver of a vehicle or combination of vehicles who fails or refuses to comply with any requirement or provision of this section shall be guilty of a misdemeanor, or in the case of any driver of a vehicle engaged in the transportation of coal, any other additional penalties that may be applicable under the provisions of article seventeen-a of this chapter.
