WEST VIRGINIA CODE: §17c-25-11

§17C-25-11. Enforcement of aeronautics laws.

All law enforcement officers shall enforce and assist in the enforcement of this article and all other laws of this state relating to aeronautics. Law enforcement officers may inspect and examine at reasonable hours any aircraft, the credentials of any person engaged in aeronautics required by the laws of this state or of the United States to have in his or her possession credentials evidencing his or her authority or permission to engage in aeronautics, any premises and the buildings and other structures thereon, where airports, air navigation facilities, or other aeronautical activities are operated or conducted.
