

## **WEST VIRGINIA CODE: §17c-25-7**

### **§17C-25-7. Right to demand test.**

Any person lawfully arrested for operating an aircraft in this state while under the influence of alcohol, controlled substances, or drugs has the right to demand that a sample or specimen of his or her breath, blood, or urine be taken within two hours from and after the time of arrest and that a chemical test be performed. The analysis disclosed by the chemical test shall be made available to the arrested person immediately upon demand.
