WEST VIRGINIA CODE: §18-10-9

§18-10-9. State Board of Education, board of Governors and commissioner of public institutions empowered to carry out provisions of federal aid acts.

The state Board of Education as to educational matters other than those relating to the West Virginia University, the board of Governors of West Virginia University as to educational matters relating to said university, and the state commissioner of public institutions, as to financial and business matters, as provided by law, are authorized and empowered to carry out the provisions of the original and supplemental acts of Congress mentioned or referred to in this article, and of any subsequent act or acts of Congress making appropriations to this state for educational purposes.
