WEST VIRGINIA CODE: §18-10B-5

§18-10B-5. Cooperation with federal government in vocational rehabilitation facility program.

The state board, through the division, is hereby designated the sole state agency to cooperate with the federal government in any federal program relating to the establishment, operation and maintenance of vocational rehabilitation facilities; and is hereby authorized and empowered to adopt and supervise the administration of such a statewide plan, or such statewide plans, for the establishment of vocational rehabilitation facility or workshop programs as may be necessary to comply with the requirements and conditions of federal law with respect to federal grants-in-aid for such purposes.
