WEST VIRGINIA CODE: §18-10M-7

§18-10M-7. State plan for independent living.

- (a) The state plan shall direct the use of federal funds provided to the state under the federal act and appropriated by the Legislature to the designated state entity in a line item for this purpose, in addition to any state funds that may be appropriated to the designated state entity for the provision of independent living services. The state plan, and each subsequent plan or amendment thereto, shall address the priorities set forth in the federal act for establishing a statewide program of independent living services, including a statewide network of centers for independent living. The council chairperson, as authorized by the voting members of the council, and a majority of the directors of the centers for independent living in the state will sign the state plan indicating agreement with the content. The director of the designated state entity will sign the state plan indicating agreement to serve as the designated state entity, to receive the funding, distribute the funding in accordance to the state plan and to fulfill all responsibilities of the designated state entity as provided in the federal Rehabilitation Act, as amended. The state plan may be amended at any time at the agreement of the council and the centers for independent living.
- (b) The state plan, and each subsequent plan and any amendments thereto shall be presented to the Legislative Oversight Commission on Health and Human Resources Accountability, created pursuant to article twenty-nine-e, chapter sixteen of this code, for review and consultation.
