

WEST VIRGINIA CODE: §18-11-10

§18-11-10. Extension and off-campus work of university; disposition of fees charged for graduate level extension and off-campus courses.

The board of Governors is hereby authorized and empowered to organize and conduct, through the organization of the different colleges, schools and departments of the university, extension work and off-campus work in the form of schools, classes, lectures, and other forms of instruction, throughout the state.

Enrollment, tuition and other fees collected from students enrolled in graduate level extension, and graduate level off-campus, courses for credit taught off the campus of the university, excluding educational television courses, shall be paid into a special fund and be used for the purpose of partially or fully covering the costs related to the development and teaching of such graduate level courses: Provided, That no portion of such fees committed to the retirement of any revenue bonds heretofore issued pursuant to the provisions of articles eleven-a and eleven-b of this chapter shall be paid into such special fund for so long as any such bonds remain outstanding and unpaid.
