

WEST VIRGINIA CODE: §18-11-4D

§18-11-4d. Disposition of tuition fees collected at medical center.

All tuition fees collected at West Virginia University medical center from students in the schools of medicine, medical technology, dentistry, dental technology, nursing, and pharmacy, together with all special tuition and registration fees charged for postgraduate short courses, institutes, and seminars conducted by the medical center, shall be paid into the special medical school fund heretofore created in the State Treasury under the provisions of section two, article nineteen, chapter eleven of this code, and shall be used solely for the construction, maintenance, and operation of the schools of medicine, medical technology, dentistry, dental technology, nursing, and pharmacy.
