WEST VIRGINIA CODE: §18-21A-2

§18-21A-2. Career and technical education pilot program for middle school students established; funding.

(a) A four-year pilot program is hereby established to provide participating middle schools with an elective course to better prepare fifth through eighth grade students to take advantage of West Virginia's career and technical education programs and to improve students' college and career readiness prior to high school.

(b) Funding. — A middle school’s participation in the pilot program is contingent upon the availability of existing funding.
