
WEST VIRGINIA CODE CHAPTER 18
ARTICLE 30

WV Legislature

§18-30-1. Title.

This article is known and cited as the West Virginia College Savings Program Act.

WV Legislature

§18-30-2. Legislative findings and purpose.

The Legislature finds and determines that enhancing the accessibility and affordability of education for all citizens of West Virginia will promote a well-educated and financially secure population to the ultimate benefit of all citizens of West Virginia, and that assisting individuals and families in planning for future educational expenses by making the tax incentives in 26 U.S.C. § 529 available to West Virginians is one of the proper governmental functions and purposes of the state.

WV Legislature

§18-30-3. Definitions.

For the purposes of this article, the following terms have the meanings ascribed to them, unless the context clearly indicates otherwise or as otherwise provided in 26 U.S.C. § 529:

"Account" means a savings plan account established in accordance with this article.

"Account owner" means the individual, corporation, association, partnership, trust, or other legal entity who enters into a savings plan contract and invests money in a savings plan account.

"Beneficiary" means the individual designated as a beneficiary at the time an account is established, the individual designated as the beneficiary when beneficiaries are changed, the individual entitled to receive distributions from an account, and any individual designated by the account owner, his or her agent, or his or her estate in the event the beneficiary is unable or unwilling to receive distributions under the terms of the contract.

"Board" means the Board of Trustees of the West Virginia College and Jumpstart Savings Programs as provided in §18-30-4 of this code.

"Distribution" means any disbursement from an account in accordance with 26 U.S.C. § 529.

"Eligible educational institution" means an institution of higher education or a private or religious primary, middle, or secondary school that qualifies under 26 U.S.C. § 529 as an eligible educational institution.

"Outstanding obligations of the Prepaid Tuition Plan" means the outstanding contract obligations of the board to persons owning Prepaid Tuition Plan accounts. The term also includes any fees, charges, expenses, penalties, or any other obligation or liability of the Prepaid Tuition Trust Fund or plan.

"Prepaid Tuition Program" means the Prepaid Higher Education Program and Plan, which was previously established and authorized by this article as reflected in chapter 80, Acts of the Legislature, Regular Session, 1997, and which was closed in 2021.

"Program" means the West Virginia College Savings Program established pursuant to this article and as defined in §18-30-4(a) of this code.

"Qualified education expenses" means expenses treated as "qualified higher education expenses" under 26 U.S.C. § 529.

§18-30-3a. 2022 Legislative findings; statutory construction.

(a) The Legislature makes the following findings regarding the amendments to this article adopted during the 2022 Regular Session of the Legislature:

(1) Whereas the Prepaid Tuition Program and Plan, administered by the board from 1998 until 2021, was statutorily closed to new accounts in 2001;

(2) Whereas the board initiated a statutorily authorized buyout of all remaining accounts in 2021 and terminated the Prepaid Tuition Program, Plan, and Trust Fund;

(3) Whereas the Jumpstart Savings Act, adopted during the 2021 Regular Session of the Legislature, created a new savings and investment program to become operational on July 1, 2022;

(4) Whereas the Jumpstart Savings Program is structurally similar to the College Savings Program, both programs share the objective of assisting West Virginians to obtain the education and skills that they need for productive and successful livelihoods, and the Jumpstart Savings Act allows state tax rollovers from a SMART529 account into a Jumpstart Savings Account;

(5) Whereas authorizing a single board to administer both the College Savings Program and Jumpstart Savings Program, rather than requiring each program to have a separate board, will significantly reduce management and administrative costs to the state;

(6) Therefore, the Board of Trustees of the College Prepaid Tuition and Savings Program should be continued and re-designated as “the Board of Trustees of the West Virginia College and Jumpstart Savings Programs” and said board should be tasked with administering the College Savings Program, established by this article, and the Jumpstart Savings Program, established by §18-30A-1 *et seq.* of this code.

(b) The Legislature further finds that, whenever possible, this article should be read in *pari materia* and construed in harmony with the Jumpstart Savings Act, located in §18-30A-1 *et seq.* of this code.

(c) The Legislature further finds that interests in the College Savings Program Trust are intended:

(1) To qualify for relevant federal securities law exemptions for public instrumentalities of a State; and

(2) To be exempt from registration under chapter 32 of the West Virginia Code, the Uniform Securities Act.

§18-30-4. The Board of Trustees of the West Virginia College and Jumpstart Savings Programs; members; terms; compensation; proceedings generally.

(a) The West Virginia College Savings Program is continued. The program consists of the savings plan administered according to this article and the requirements of 26 U.S.C. §529.

§18-30-7. West Virginia Savings Plan Trust.

(a) The board may establish a Savings Plan Trust, and may establish a Savings Plan Trust Fund Account, titled the Savings Plan Trust Fund, within the accounts held by the Treasurer or with a financial institution, an investment manager, a fund manager, the West Virginia Investment Management Board, or any other person for the purpose of managing and investing the trust fund. Assets of the Savings Plan Trust are held in trust for account owners and beneficiaries.

(b) The Savings Plan Trust Fund shall receive all moneys from account owners on behalf of beneficiaries of savings plan contracts or from any other source, public or private. Earnings derived from the investment of the moneys in the college Savings Trust Fund shall remain in the fund, held in trust in the same manner as contributions, except as refunded, applied for purposes of the beneficiaries, and applied for purposes of maintaining and administering the savings plan.

(c) The corpus, assets, and earnings of the Savings Plan Trust Fund do not constitute public funds of the state and are available solely for carrying out the purposes of this article. Any contract entered into by or any obligation of the board on behalf of and for the benefit of the savings plan does not constitute a debt or obligation of the state, but is solely an obligation of the Savings Plan Trust Fund. The state has no obligation to any designated beneficiary or any other person as a result of the savings plan. All amounts payable from the Savings Plan Trust Fund are limited to amounts available in the fund.

(d) Nothing in this article or in any savings plan contract is a promise or guarantee that the distributions available for a beneficiary will cover the cost of qualified education expenses at an eligible educational institution, or as a promise or guarantee of admission to, continued enrollment in, or graduation from an eligible education institution.

(e) The requirements of the provisions of §32-1-101 et seq. of this code do not apply to the sale of a savings plan contract by the board, its employees, and agents.

(f) The savings plan and any Savings Plan Trust Fund shall continue in existence until terminated by the Legislature as it determines or by the board upon determining that continued operation is infeasible. Upon termination of the plan, the balances of savings plan accounts, less any distributions, refunds, fees, charges, and penalties, are sent to account owners, to the extent possible, and any unclaimed assets in the program shall revert to the state in accordance with the Uniform Unclaimed Property Act in §36-8-1 et seq. of this code.

(g) The state pledges to account owners and beneficiaries of the savings plans that the state will not limit or alter the rights under this article which are vested until the obligations are met and discharged. However, nothing in this subsection prohibits the Legislature from discontinuing or terminating a savings plan.

(h) In order to fulfill the charitable and public purposes of this article, neither the earnings

nor the corpus of the savings plan trust fund is subject to taxation by the state or any of its political subdivisions.

(i) Notwithstanding any provision of this code to the contrary, money in the Savings Plan Trust Fund is exempt from creditor process and not subject to attachment, garnishment, or other process; is not available as security or collateral for any loan, or otherwise subject to alienation, sale, transfer, assignment, pledge, encumbrance, or charge; and is not subject to seizure, taking, appropriation, or application by any legal or equitable process or operation of law to pay any debt or liability of any account owner, beneficiary or successor in interest.

§18-30-8. The College and Jumpstart Savings Administrative Account.

(a) There is hereby continued a separate special revenue account within the State Treasury titled the “college prepaid tuition and savings program administrating account”, which shall hereafter be known as the College and Jumpstart Savings Administrative Account. The board shall administer and make expenditures from the account for the purposes of implementing, operating, and maintaining the trust funds, the program created by this article, and the program created by §18-30A-1 *et seq.* of this code.

(b) The administrative account shall receive all fees, charges, and penalties collected by the board. Expenditures from the fund are authorized from collections. Any balance, including accrued interest and other returns, remaining in the fund at the end of each fiscal year shall not revert to the General Revenue Fund but shall remain in the fund to be expended as authorized by this section.

§18-30-9. Income tax deduction for purchasers.

As provided in section twelve-a, article twenty-one, chapter eleven of this code, any payment made under a prepaid tuition contract or other college savings plan administered by the board, pursuant to the provisions of this article, is eligible for a tax deduction.

§18-30-10. Reports and account; annual audit.

(a) In addition to any other requirements of this article, the board shall:

(1) Provide annual statements on the savings plan accounts to the respective account owners; and

(2) Prepare, or have prepared, a quarterly report on the status of the program, including the trust funds and the administrative account, and provide a copy of the report to the Joint Committee on Government and Finance and the Legislative Oversight commission on education accountability.

(b) All accounts of the board, including the trust funds, are subject to an annual external audit by an accounting firm, selected by the board, of which all members or partners assigned to head the audit are members of the American institute of certified public accountants. The audit shall comply with the requirements of §5A-2-33 of this code.

§18-30-11. Financial aid eligibility.

The calculations of a beneficiary's eligibility for state student financial aid for higher education may not include or consider the value of distributions available in a savings plan account.

WV Legislature

§18-30-12. Confidentiality.

Any information that would tend to disclose the identity of a beneficiary, account owner or donor is exempt from the provisions of chapter twenty-nine-b of this code. Nothing in this section prohibits disclosure or publication of information in a statistical or other form which does not identify the individuals involved or provide personal information. Account owners are permitted access to their own personal information.

WV Legislature

§18-30-13. Remaining obligations of the Prepaid Tuition Program and Escrow Fund.

(a) The Prepaid Tuition Trust Escrow Fund, which was previously authorized by §18-30-6 of this code, is continued in the State Treasury to guarantee payment of outstanding obligations of the Prepaid Tuition Plan arising after the plan's closure. The board is authorized to take any action necessary to satisfy obligations of the Prepaid Tuition Plan arising after the plan's closure.

(b) The Prepaid Tuition Trust Escrow Fund shall consist of any moneys in the fund on the effective date of this section. Up to \$1,000,000 may be maintained in the Prepaid Tuition Trust Escrow Fund for a period not to exceed 10 years following the closure of the Prepaid Tuition Fund for the purpose of satisfying any claims against the Prepaid Tuition Trust Plan arising after the plan's closure: *Provided*, That upon the expiration of 10 years following the date of closure of the Prepaid Tuition Trust Fund or when the balance of the Prepaid Tuition Trust Escrow Fund is zero, whichever occurs first, the account shall be closed and any moneys remaining in the Prepaid Tuition Trust Escrow Fund upon said fund's closure shall revert to the state's General Revenue Fund.

(c) The board shall invest the Prepaid Tuition Trust Escrow Fund, in accordance with the provisions of this article, in fixed income securities, and all earnings of the fund shall accrue to the fund and be available for expenditure in accordance with this section.
