All interest and other returns derived from the deposit and investment of moneys in the Hope Scholarship Fund shall be credited to the fund. Any balance, including accrued interest and other returns, remaining in the fund at the end of each fiscal year shall not revert to the General Revenue Fund but shall remain in the fund and be expended as provided by this section.

(b) The amount of Hope Scholarship funds made available to an eligible recipient on a yearly basis shall be equal to 100 percent of the prior year's statewide average net state aid share allotted per pupil based on net enrollment adjusted for state aid purposes, subject to the provisions of subsection (c) of this section: *Provided*, That the amount of the funding to an eligible recipient who is awarded a Hope Scholarship account for less than a full fiscal year shall be prorated based on the portion of the fiscal year the eligible recipient is awarded the Hope Scholarship account. (d) The first deposit of Hope Scholarship funds into an eligible recipient account shall be subject to the execution of the parental agreement required by §18-31-5 of this code. Upon execution of the required parental agreement, and subject to the provisions of §18-31-9(e) of this code, one half of the total annually required deposit shall be made no later than August 15 of every year into an eligible recipient's Hope Scholarship account, and one half of the total annually required deposit shall be made no later than January 15 of every year. Any funds remaining in a Hope Scholarship account at the end of the fiscal year may be carried over to the next fiscal year upon successful renewal of the account.

(e) Funds deposited in a student's Hope Scholarship account, other than those funds expended on transportation services pursuant to §18-31-7(11) of this code, do not constitute taxable income to the parent or the Hope Scholarship student.

(f) The board shall continue to make deposits into an eligible recipient's Hope Scholarship

- (3) The board suspends or revokes participation in the Hope Scholarship Program for failure to comply with the requirements of this article;
- (4) The Hope Scholarship student successfully completes a secondary education program or does not commence kindergarten-level education in the year that eligibility is based on the student's kindergartener status; or
- (5) The Hope Scholarship student reaches 21 years of age.

(g) If any of the conditions in subsection (f) of this section occur, the board shall notify the parent that the eligible recipient's account will be closed in 45 calendar days. (h)(1) There is hereby created in the State Treasury a special revenue fund designated and known as the West Virginia Hope Scholarship Program Expense Fund. The account shall consist of moneys received pursuant to this section; moneys, if any, transferred from special revenue funds administered by the Treasurer; or any governmental or private grants and any state general fund appropriations, if any, for the Hope Scholarship Program. All interest and other returns derived from the deposit and investment of moneys in the Hope Scholarship Program Expense Fund shall be credited to the fund. (3) Tutoring services provided by an individual or a tutoring facility: *Provided*, That such tutoring services are not provided by a member of the Hope Scholarship student's immediate family;

(b) Hope Scholarship funds may only be used for educational purposes in accordance with subsection (a) of this section. Nothing in this section requires that a Hope Scholarship student be enrolled, full- or part-time, in either a private school or nonpublic online school.

(c) Hope Scholarship funds may not be refunded, rebated, or shared with a parent or student in any manner: *Provided*, That the Hope Scholarship Board shall promulgate legislative rules to ensure that an education service provider with 15 or more students can provide compensation to employees of the provider in the provider's regular course of business, notwithstanding the fact that an employee's child receives services from the education service provider.

(d) The board may adopt procedures for establishing a reimbursement process for any qualifying expenses not available for purchase by a Hope Scholarship parent through the existing online Hope Scholarship Program portal. Any refund or rebate for goods or services purchased with Hope Scholarship funds shall be credited directly to a student's Hope Scholarship account.

(e) Nothing in this section prohibits the parents of a Hope Scholarship student from making payments for the costs of educational goods and services not covered by the funds in their student's Hope Scholarship account. However, personal deposits into a Hope Scholarship account are not permitted.

**§18-31-8. Annual continuation of Hope Scholarship accounts; participation in public school system.**

(a) Notwithstanding any changes in eligibility, effective January 1, 2025, a Hope Scholarship student may continue participation in the program from school year to school year without reapplying for the program until one of the conditions set forth in §18-31-6(f) occurs: *Provided*, That the board shall verify with the Department of Education the following information by July 1 of every year:

- (1) A list of all active Hope Scholarship accounts;
- (2) The resident school district of each Hope Scholarship student;
- (3) For a Hope Scholarship student who chooses to attend a participating school, annual confirmation of his or her continued attendance at a nonpublic school that complies with all requirements that other nonpublic school students must comply with; and

  - (A) (i) He or she has annually taken a nationally normed standardized achievement test of academic achievement in the subject areas of reading, language, and mathematics, and when available for the student's grade-level, science and social studies;
  - (ii) The mean of the child's overall test results in the subject areas tested for any single year is within or above the fourth stanine or, if below the fourth stanine, show improvement from the previous year's results; and

  - (2) The parent must execute the parent agreement with the Board described in §18-31-5(d)(3) of this code ahead of each school year; and
  - (3) The parent must report to the county superintendent of the student's county of residence

that the student has complied with all attendance and academic requirements in accordance with subsection (a) of this section for the most recent school year.

(c) Each county superintendent shall submit the test results and determinations reported to him or her pursuant to subsection (a) of this section to the board and the Department of Education each year on or before June 15.

(d) If a parent fails to meet the annual conditions for continued participation in the Hope Scholarship Program described in subsection (b) of this section, the board shall notify the parent that the eligible recipient's account will be closed in 45 calendar days. If a parent declines continued participation in the program or does not respond within 30 calendar days of receipt of notice, the board shall close the account and any remaining moneys shall be returned to the state.

(e) If an eligible recipient decides to return to the Hope Scholarship Program after failing to meet the conditions for continued participation described in subsection (b) of this section, they must reapply.

(f) The board, in consultation with the Department of Education, may adopt rules and policies for Hope Scholarship students who want to continue to receive services provided by a public school or district, including individual classes and extracurricular programs, in combination with an individualized instructional program. The board, in consultation with the Department of Education, shall ensure that any public school or school district providing such services receives the appropriate pro rata share of a student's Hope Scholarship funds based on the percentage of total instruction provided to the student by the public school or school district. County boards and charter school governing boards shall charge tuition to Hope Scholarship students who enroll for services in a public school within the county or in a public charter school. Hope Scholarship students who enroll for services part-time in public school shall not be included in net enrollment for state aid funding purposes under §18-9A-2 of this code. Nothing in this subsection prohibits a Hope Scholarship student from using the funds deposited in his or her account on both services provided by a public school or district and other qualifying expenses as provided for in §18-31-7 of this code.

(g) The board, in consultation with the Department of Education, may adopt rules and policies to provide the least disruptive process for Hope Scholarship students who desire to stop receiving Hope Scholarship payments and return full-time to a public school.

**§18-31-9. Administration of Hope Scholarship accounts.**

(a) In addition to the duties, obligations, and authority stated in this section and in other parts of this article, the board has the following duties, obligations, and authority with respect to the administration of Hope Scholarship accounts:

- (1) To maintain an updated list of participating schools and shall ensure that the list is publicly available through various sources, including the internet;
- (2) To provide parents with a written explanation of the allowable uses of Hope Scholarship funds, the responsibilities of parents, the duties of the board and the role of any private financial management firms or other private organizations that the board may contract with to administer the Hope Scholarship Program or any aspect of the program; and
- (3) To ensure that parents of students with a disability receive notice that participation in the Hope Scholarship Program is a parental placement under 20 U.S.C. § 1412 of the Individuals with Disabilities Education Act (IDEA) along with an explanation of the rights that parentally placed students possess under (IDEA) and any applicable state laws and regulations.

(b) The board may contract with private organizations to administer the Hope Scholarship Program. This includes, but is not limited to, private financial management firms to manage Hope Scholarship accounts.

(c) The board shall implement, or contract with a private organization to implement, a commercially viable, cost effective, and parent-friendly system for payment for services from Hope Scholarship accounts to participating schools or education service providers, including, but not limited to, the use of debit cards or other electronic or online fund transfers: *Provided*, That a Hope Scholarship account may not be reduced for debit card or electronic payment fees.

(d) The board shall also seek to implement a commercially viable, cost-effective, and parent-friendly system for publicly rating, reviewing, and sharing information about participating schools and education service providers, ideally as part of the same system that facilitates the electronic or online funds transfers so as to create a one-stop-shop for parents and Hope Scholarship students.

(e) If an education service provider requires partial payment of tuition or fees prior to the start of the academic year to reserve space for a Hope Scholarship student admitted to the education service provider, such partial payment may be paid prior to the start of the school year in which the Hope Scholarship is awarded, and deducted in an equitable manner from subsequent Hope Scholarship deposits to ensure adequate funds remain available throughout the school year; but if a Hope Scholarship student decides not to use the education service provider, the partial reservation payment must be returned to the board by such education service provider and credited to the student's Hope Scholarship account.

(f) The board may accept gifts and grants from any source to cover administrative costs, to inform the public about the Hope Scholarship Program, or to provide additional funding for Hope Scholarship Accounts.

(g) The board may propose legislative rules for legislative approval pursuant to §29A-3-1 *et seq.* of this code, including emergency rules, if necessary, to meet timelines set forth in this article, that are not inconsistent with this article and that are necessary for the administration of this article, including:

- (1) Establishing or contracting for the establishment of a fraud reporting system;
- (2) Policies that require a surety bond for education service providers receiving more than \$100,000 in Hope Scholarship funds;
- (3) Procedures for refunding payments from education service providers back to Hope Scholarship accounts; and
- (4) Procedures for entering into reciprocal agreements with other state education savings account agencies or entities, whether public or private, to recognize and allow education service providers approved in other states to receive payments from Hope Scholarship accounts under this article.

(h) The rules or policies adopted by the board should avoid excessive bureaucracy and overly prescriptive mandates and instead shall focus on encouraging participation in the program and encouraging education service providers to provide parents and Hope Scholarship students with a broad array of educational options.

**§18-31-10. Auditing of Hope Scholarship Program; suspension of accounts and providers.**

(a) The board may propose legislative rules for approval pursuant to §29A-3-1 *et seq.* of this code for the auditing of individual Hope Scholarship accounts and shall conduct or contract for the random auditing of individual Hope Scholarship accounts as needed to ensure compliance with the requirements of this article and rules promulgated pursuant to this article.

(b) As part of the auditing process, the board may remove a parent or eligible recipient from the Hope Scholarship Program and close a Hope Scholarship account for failure to comply with the terms of the parental agreement required by §18-31-5 of this code, failure to comply with the applicable laws, failure of the student to remain eligible, or intentional and fraudulent misuse of Hope Scholarship funds: *Provided*, That the board shall create procedures to ensure that a fair process exists to determine the removal of a parent or eligible recipient from the Hope Scholarship Program and a parent or Hope Scholarship student may appeal the decision to make the student ineligible for funds to the board.

(c) The board may propose legislative rules for approval pursuant to §29A-3-1 *et seq.* of this code for the auditing of education service providers and shall conduct or contract for the random auditing of individual providers as needed to ensure compliance with the requirements of this article and rules promulgated pursuant to this article.

(d) If the board determines that an education service provider has intentionally and substantially misused Hope Scholarship funds, the board may bar the education service provider from continuing to receive payments. The board shall create procedures to ensure that a fair process exists to determine whether an education service provider may be barred from receiving payment from Hope Scholarship accounts and an education service provider may appeal a decision to bar it from receiving payments to the board. If the board bars an education service provider from receiving payments from Hope Scholarship accounts, it shall notify parents and students of its decision as quickly as possible.

(e) If the board obtains evidence of potential fraudulent use of Hope Scholarship funds, it may refer suspected cases to the State Auditor for purposes of investigation, collection, and potential criminal investigation.

**§18-31-11. Requirements for and rights of education service providers.**

(a) To be eligible to accept payments from a Hope Scholarship account, an education service provider shall:

(1) Submit notice to the board that they wish to participate in the Hope Scholarship Program;

(2) Provide participating parents with a receipt for all qualifying educational expenses for the Hope Scholarship student;

(3) Agree not to refund, rebate, or share Hope Scholarship funds with parents or students in any manner, except that funds may be remitted or refunded to a Hope Scholarship account in accordance with §18-31-7(c) of this code;

(4) Certify that it will not discriminate on any basis prohibited by 42 U.S.C. 1981;

(5) Submit any employee or other person who will have contact with Hope Scholarship students receiving services from the provider to a criminal background check and certify that said background check does not indicate conviction of a felony involving violence to the person and that the employee or other person is not on a federal or state sex offender registry; and

(6) In the case of a participating school, provide notice of each Hope Scholarship student's enrollment annually to the county superintendent of any student for which a student's tuition is being paid through the Hope Scholarship Program.

(b) This article does not limit the independence or autonomy of an education service provider or make the actions of an education service provider the actions of the state government.

(c) Education service providers shall be given maximum freedom to provide for the educational needs of Hope Scholarship students without governmental control.

(d) A participating school or education service provider is not required to alter its creed, practices, admission policy, hiring policy or curriculum in order to accept eligible recipients whose parents pay tuition or fees from a Hope Scholarship account pursuant to this article: *Provided*, That an education service provider is prohibited from requiring a student or family to pay tuition, costs, or fees above or in addition to the provider's regular tuition or fee schedule based in whole or in part upon a student or family member's participation in the Hope Scholarship Program.

(e) This article does not expand the regulatory authority of the state, its officers, or any school district to impose any additional regulation of education service providers beyond those necessary to enforce the requirements of the program.

**§18-31-12. Responsibilities of resident school districts.**

The resident school district or school district in which a Hope Scholarship student was last enrolled, as applicable, shall provide an education service provider that has enrolled the student with a complete copy of the student's school records, while complying with the Family Educational Rights and Privacy Act of 1974 (20 U.S.C. § 1232g).

**§18-31-13. Legal proceedings; severability.**

(a) No liability arises on the part of the board or the state or of any county school district based on the award or use of a Hope Scholarship awarded pursuant to this article.

(b) It is the intention of the Legislature in the enactment of this article that if any part of this article is challenged in court as violating either the state or federal constitution, the parents of eligible Hope Scholarship students should be deemed to have standing to be parties to such litigation, and should be permitted by the court to intervene if they are not already parties to such litigation.

(c) If any provision of this article or the application of any such provision of this article to any person or circumstance is held invalid by a court of competent jurisdiction, the remainder of this article or the application of its provisions to persons or circumstances other than those to which it is held invalid is not affected thereby.
