WEST VIRGINIA CODE: §18-6-4

§18-6-4. Rules.

In accordance with article three-b, chapter twenty-nine-a of this code, the state board shall, with the advice of the State Superintendent and the Superintendent of the State Police, adopt rules governing the establishment, conduct and scope of driver education for use in the public, private and parochial secondary schools located within this state, subject to the requirements and exceptions set forth in this article.
