(3) That other members of the Teachers' Defined Contribution Retirement System remain comfortable with bearing the attendant market risks and performance of their investments associated with managing the individual retirement accounts of that system;

(4) That it is in the best interests of the teachers and education service personnel in this state, as well as the state's system of public education as a whole, to permit members of the Teachers' Defined Contribution Retirement System to voluntarily elect membership in the state Teachers Retirement System pursuant to the provisions of this article; and

(1) A member may repay those amounts he or she previously cashed out or withdrew, along with interest as determined by the board, and receive the same credit as if the withdrawal or cash-out never occurred. (g) Any service in the state Teachers Retirement System a member has before the date of the transfer is not affected by the provisions of this article.

(h) The board shall take all necessary steps to see that the voluntary transfers of persons and assets authorized by this article do not affect the qualified status with the Internal Revenue Service of either retirement plan.

board on or before December 31, 2009, may request the board on or before April 15, 2015, to recalculate the contribution for 2015. To receive full credit, the member shall pay into the State Teachers Retirement System the recalculated purchase amount by July 1, 2015, or no later than sixty days after the postmarked date on a contribution recalculation from the board, whichever is later. The recalculated contribution shall include the interest loss at the actuarial rate of seven and one-half percent. The board's executive director may correct clerical errors.

(i) The estimated total earnings shall be calculated based on the member's salary and the member's age nearest birthday on June 30, 2008;

(ii) This calculation shall apply both an annual backward salary scale from that date for prior years' salaries and a forward salary scale for the salary for the 2008 fiscal year.

(B) The calculations in paragraph (A) of this subdivision are based upon the salary scale assumption applied in the West Virginia Teachers Retirement System actuarial valuation as of July 1, 2007, prepared for the Consolidated Public Retirement Board. This salary scale shall be applied regardless of breaks in service.

(d) All service previously transferred from the State Teachers Retirement System to the Teachers' Defined Contribution Retirement System is considered Teachers' Defined Contribution Retirement System service for the purposes of this article.

(e) Notwithstanding any provision of this code to the contrary, the retirement of a member who becomes eligible to retire after the member's assets are transferred to the State Teachers Retirement System pursuant to the provisions of this article may not commence before September 1, 2008: Provided, That the Consolidated Public Retirement Board may not retire any member who is eligible to retire during the calendar year 2008 unless the member has provided a written notice to his or her county board of education by July 1, 2008, of his or her intent to retire.

(f) The provisions of section twenty-eight-e, article seven-a of this chapter do not apply to the amendments to this section enacted during the 2009 regular legislative session or the 2015 regular legislative session.

(3) Each such member is governed by the provisions of the state Teachers Retirement System subject to the provisions of this article.

(e) Notwithstanding any other provision of this code to the contrary, the board may do all things necessary and convenient to maintain the Teachers' Defined Contribution Retirement System and the state Teachers Retirement System during the transitional period and may retain the services of the professionals it considers necessary to do so. (g) The submission of the documents whereby members may affirmatively elect to transfer may be held through any method the board determines is in the best interest of the members: Provided, That for members of the Teachers' Defined Contribution Retirement System, the submission of the documents whereby those members elect to transfer shall be pursuant to the procedure established by the Consolidated Public Retirement Board set forth in subsection (j) of this section.

(h) The period for submission of the documents whereby members may affirmatively elect to transfer shall begin not later than April 1, 2008. (3) May 5, 2008, is selection day upon which each county board and superintendent shall provide an opportunity in each school within the county for members of the Teachers' Defined Contribution System to affirmatively elect to transfer.

(j) The Consolidated Public Retirement Board shall collaborate with the state superintendent, the Chancellor for Higher Education and the Chancellor for Community and Technical College Education to establish a procedure whereby all actively contributing members of the Teachers' Defined Contribution Retirement System may deliver to the Consolidated Public Retirement Board or its designee the written document authorizing transfer through a supervisor at each work site where any contributing member of the Defined Contribution Retirement System is employed. The procedure shall include at least the following:

(1) The supervisor at each work site is responsible for collecting the written documents authorizing the transfer from all actively contributing members of the Teachers' Defined Contribution Retirement System employed at the work site who choose to submit the written document. The supervisor shall record the receipt of all written documents authorizing transfer, shall direct the member submitting the written document to initial a receipt log and shall issue a receipt to the member submitting the written document.

(2) On and after May 6, 2008, but on or before May 9, 2008, the supervisor at the work site shall make reasonable efforts to contact verbally and in writing all actively contributing members of the Teachers' Defined Contribution Retirement System employed at the work site that have not submitted their written documents as of that date to remind those members of the upcoming deadline for submitting their written document authorizing transfer: Provided, That failure of the supervisor to make contact with any of those members shall not be a basis for a cause of action to allow a member to transfer after the period provided in this section or for any other cause of action.

(3) The supervisor at each work site shall forward all of the written documents to the Consolidated Public Retirement Board, or its designee, through certified mail, or delivery by commercial courier that requires written confirmation by the board of delivery, no later than May 13, 2008: Provided, That notwithstanding the provisions of this subdivision, any submission received by the board on or before May 20, 2008, shall be counted. The work site supervisor shall inform the Consolidated Public Retirement Board of all of the written documents received each day so that the board, or its designee, can record which members of the Teachers' Defined Contribution Retirement System have submitted their written documents authorizing transfer pursuant to subsection (k) of this section.

(k) The Consolidated Public Retirement Board, or its designee, shall record the receipt of all written documents authorizing the transfer so that it knows the percentage of contributing members of the Teachers' Defined Contribution Retirement System that have submitted the written documents by work site and by county.

(l) Notwithstanding any other provision of this article to the contrary, any member of the Teachers Defined Contribution Retirement System who was erroneously identified by the employer as being a member of the Teachers Retirement System and who did not have at least \$1 in the Teachers Defined Contribution Retirement System on December 31, 2007, and therefore was denied an opportunity to select transfer as determined by the Consolidated Public Retirement Board, shall be provided promptly with an opportunity to select membership in the Teachers Retirement System.
