WEST VIRGINIA CODE: §18-8-11

§18-8-11. School attendance and satisfactory academic progress as conditions of licensing for privilege of operation of motor vehicle.

- (a) Whenever a student at least 15 but less than 17 years of age, except as provided in subsection (e) of this section, withdraws from school, the attendance director or chief administrator shall notify the Division of Motor Vehicles of the student's withdrawal no later than five days from the date of the withdrawal. Within five days of receipt of the notice, the Division of Motor Vehicles shall send notice to the student that the student's instruction permit or license to operate a motor vehicle will be restricted to driving for work or medical purposes or educational or religious pursuits under the provisions of §17B-3-6 of this code on the 30th day following the date the notice was sent unless documentation of compliance with the provisions of this section is received by the Division of Motor Vehicles before that time. The notice shall also advise the student that he or she is entitled to a hearing before the county superintendent of schools or his or her designee or before the appropriate private school official concerning whether the student's withdrawal from school was due to a circumstance or circumstances beyond the control of the student. If restricted, the division may not reinstate an instruction permit or license until the student returns to school and shows satisfactory academic progress or until the student attains 17 years of age.
- (b) Whenever a student at least 15 but less than 17 years of age is enrolled in a secondary school and fails to maintain satisfactory academic progress, the attendance director or chief administrator shall follow the procedures set out in subsection (a) of this section to notify the Division of Motor Vehicles. Within five days of receipt of the notice, the Division of Motor Vehicles shall send notice to the student that the student's instruction permit or license will be restricted to driving for work or medical purposes or educational or religious pursuits under the provisions of §17B-3-6 of this code on the 30th day following the date the notice was sent unless documentation of compliance with the provisions of this section is received by the Division of Motor Vehicles before that time. The notice shall also advise the student that he or she is entitled to a hearing before the county superintendent of schools or his or her designee or before the appropriate private school official concerning whether the student's failure to make satisfactory academic progress was due to a circumstance or circumstances beyond the control of the student. Once the restriction is ordered, the division may not reinstate an instruction permit or license until the student shows satisfactory academic progress or until the student attains 17 years of age.
- (c) Upon written request of a student, within 10 days of receipt of a notice of restriction as provided by this section, the Division of Motor Vehicles shall afford the student the opportunity for an administrative hearing. The scope of the hearing shall be limited to determining if there is a question of improper identity, incorrect age, or some other clerical error.
- (d) For the purposes of this section:

- (1) "Withdrawal" is defined as more than 10 consecutive or 15 total days unexcused absences during a school year, or suspension pursuant to §18A-5-1a(a) and §18A-5-1a(b) of this code.
- (2) "Satisfactory academic progress" means the attaining and maintaining of grades sufficient to allow for graduation and course work in an amount sufficient to allow graduation in five years or by age 19, whichever is earlier.
- (3) "Circumstances outside the control of the student" shall include, but not be limited to, medical reasons, familial responsibilities, and the necessity of supporting oneself or another.
- (4) Suspension or expulsion from school or imprisonment in a jail or a West Virginia correctional facility is not a circumstance beyond the control of the student.
- (e) Whenever the withdrawal from school of the student, the student's failure to enroll in a course leading to or to obtain a GED or high school diploma, or the student's failure to make satisfactory academic progress is due to a circumstance or circumstances beyond the control of the student, or the withdrawal from school is for the purpose of transfer to another school as confirmed in writing by the student's parent or guardian, no notice shall be sent to the Division of Motor Vehicles to restrict the student's motor vehicle operator's license and if the student is applying for a license, the attendance director or chief administrator shall provide the student with documentation to present to the Division of Motor Vehicles to excuse the student from the provisions of this section. The school district superintendent (or the appropriate school official of any private secondary school) with the assistance of the county attendance director and any other staff or school personnel shall be the sole judge of whether any of the grounds for restriction of a license as provided by this section are due to a circumstance or circumstances beyond the control of the student.
- (f) The state board shall promulgate rules necessary for uniform implementation of this section among the counties and as may otherwise be necessary for the implementation of this section. The rule may not include attainment by a student of any certain grade point average as a measure of satisfactory progress toward graduation.
