§18-9D-13. Payment of bonds.

From the School Building Debt Service Fund or the Excess Lottery School Building Debt Service Fund, the authority shall make periodic payments in an amount sufficient to meet the requirements of any issue of bonds sold under the provisions of this article and for which the authority has pledged revenues in the fund for the payment of the bonds, as may be specified in the resolution of the authority authorizing the issue thereof or in any trust agreement entered into in connection therewith. The payments so made shall be placed as specified in the resolution or trust agreement in a special sinking fund which is hereby pledged to and charged with the payment of the principal of the bonds of the issue and the interest thereon, and to the redemption or repurchase of the bonds, the sinking fund to be a fund for all bonds of the particular issue without distinction or priority of one over another, except as may be provided in the resolution authorizing the issuance of the bonds. The moneys in the special sinking fund, less the reserve for payment of principal and interest and redemption premium, if any, as may be required by the resolution of the School Building Authority authorizing the issue or any trust agreement made in connection therewith, may be used for redemption of any of the outstanding bonds payable from the fund which by their terms are then redeemable, or for the purchase of bonds at the market price, but not exceeding the price, if any, at which the bonds shall in the same year be redeemable; and all bonds redeemed or purchased shall forthwith be canceled and may not again be issued.
