

# WEST VIRGINIA CODE: §18-9d-3

## §18-9D-3. Powers of authority; School Building Authority Fund.

(a) The School Building Authority has the power:

(1) To sue and be sued, plead, and be impleaded;

(2) To have a seal and alter the same at pleasure;

(3) To contract to acquire and to acquire, in the name of the authority, by purchase, lease-purchase not to exceed a term of 25 years, or otherwise, real property or rights or easements necessary or convenient for its corporate purposes and to exercise the power of eminent domain to accomplish those purposes;

(4) To acquire, hold and dispose of real and personal property for its corporate purposes;

(5) To make bylaws for the management and rule of its affairs;

(6) To appoint, contract with and employ attorneys, bond counsel, accountants, construction and financial experts, underwriters, financial advisers, trustees, managers, officers, and such other employees and agents as may be necessary in the judgment of the authority and to fix their compensation: *Provided*, That contracts entered into by the School Building Authority in connection with the issuance of bonds under this article to provide professional and technical services, including, without limitation, accounting, actuarial, underwriting, consulting, trustee, bond counsel, legal services, and contracts relating to the purchase or sale of bonds are subject to the provisions of §5A-3-1 *et seq.* of this code: *Provided, however*, That notwithstanding any other provisions of this code, any authority of the Attorney General of this state relating to the review of contracts and other documents to effectuate the issuance of bonds under this article shall be exclusively limited to the form of the contract and document: *Provided further*, That the Attorney General of this state shall complete all reviews of contracts and documents relating to the issuance of bonds under this article within 10 calendar days of receipt of the contract and document for review;

(7) To make contracts and to execute all instruments necessary or convenient to effectuate the intent of and to exercise the powers granted to it by this article;

(8) To renegotiate all contracts entered into by it whenever, due to a change in situation, it appears to the authority that its interests will be best served;

(9) To acquire by purchase, eminent domain or otherwise all real property or interests in the property necessary or convenient to accomplish the purposes of this article;

(10) To require proper maintenance and insurance of any project authorized under this section, including flood insurance for any facility within the 100-year flood plain at which

authority funds are expended;

(11) To charge rent for the use of all or any part of a project or buildings at any time financed, constructed, acquired, or improved, in whole or in part, with the revenues of the authority;

(12) To assist any county board of education that chooses to acquire land, buildings and capital improvements to existing school buildings and property for use as public school facilities, by lease from a private or public lessor for a term not to exceed 25 years with an option to purchase pursuant to an investment contract with the lessor on such terms and conditions as may be determined to be in the best interests of the authority, the State Board of Education and the county board of education, consistent with the purposes of this article, by transferring funds to the State Board of Education as provided in §18-9D-15(f) of this code for the use of the county board of education;

(13) To accept and expend any gift, grant, contribution, bequest or endowment of money and equipment to, or for the benefit of, the authority or any project under this article, from the State of West Virginia or any other source for any or all of the purposes specified in this article or for any one or more of such purposes as may be specified in connection with the gift, grant, contribution, bequest, or endowment;

(14) To enter on any lands and premises for the purpose of making surveys, soundings and examinations;

(15) To contract for architectural, engineering or other professional services considered necessary or economical by the authority to provide consultative or other services to the authority or county board requesting professional services offered by the authority, to evaluate any facilities plan or any project encompassed in the plan, to inspect existing facilities or any project that has received or may receive funding from the authority or to perform any other service considered by the authority to be necessary or economical. Assistance to the district may include the development of preapproved systems, plans, designs, models, or documents; advice or oversight on any plan or project; or any other service that may be efficiently provided to county boards by the authority;

(16) To provide funds on an emergency basis to repair or replace property damaged by fire, flood, wind, storm, earthquake or other natural occurrence, the funds to be made available in accordance with guidelines of the School Building Authority;

(17) To transfer moneys to custodial accounts maintained by the School Building Authority with a state financial institution from the School Construction Fund and the School Improvement Fund created in the State Treasury pursuant to §18-9D-6 of this code, as necessary to the performance of any contracts executed by the School Building Authority in accordance with the provisions of this article;

(18) To enter into agreements with county boards and persons, firms or corporations to

facilitate the development of county board projects and county board facilities plans. The county board participating in an agreement shall pay at least 25 percent of the cost of the agreement. Nothing in this section may be construed to supersede, limit, or impair the authority of county boards to develop and prepare their projects or plans;

(19) To encourage any project or part thereof to provide opportunities for students to participate in supervised, unpaid work-based learning experiences related to the student's program of study approved by the county board. The work-based learning experience must be conducted in accordance with a formal training plan approved by the instructor, the employer, and the student and which sets forth at a minimum the specific skills to be learned, the required documentation of work-based learning experiences, the conditions of the placement, including duration and safety provisions, and provisions for supervision and liability insurance coverage as applicable. Projects involving the new construction and renovation of vocational-technical and adult education facilities should provide opportunities for students to participate in supervised work-based learning experiences, to the extent practical, which meet the requirements of this subdivision. Nothing in this subdivision may be construed to affect registered youth apprenticeship programs or the provisions governing those programs; and

(20) To do all things necessary or convenient to carry out the powers given in this article.

(b) The special revenue account in the State Treasury known as the "School Building Authority Fund" is hereby continued. The fund is to be administered by the School Building Authority. Expenditures from the fund shall be for the purposes set forth in this article and are not authorized from collections but are to be made only in accordance with appropriation by the Legislature and in accordance with the provisions of §12-3-1 *et seq.* of this code and upon fulfillment of the provisions of §11B-2-1 *et seq.* of this code.
