**§18A-3-8. County professional staff development councils.**

The Legislature finds the professional expertise and insight of the classroom teacher to be an invaluable ingredient in the development and delivery of staff development programs which meet the needs of classroom teachers.

Therefore, a professional staff development council comprised of proportional representation from the major school levels and from vocational, special education and other specialties in proportion to their employment numbers in the county shall be established in each school district in the state in accordance with rules adopted by the State Board of Education. Nominations of instructional personnel to serve on the county staff development council may be submitted by the faculty senates of the district to the county superintendent who shall prepare and distribute ballots and tabulate the votes of the counties instructional personnel voting on the persons nominated. Each county staff development council shall consist of between nine and fifteen members at the discretion of the county superintendent based on the size of the county. The councils have final authority to propose staff development programs for their peers based upon an analysis of the individual and collective needs of the schools of the county as indicated by their strategic plans.

The county superintendent or a designee has an advisory, nonvoting role on the council. The county board shall make available an amount equal to one tenth of one percent of the amounts provided in accordance with §18-9A-4 of this code and credit the funds to an account to be used by the council to fulfill its objectives. The local board has final approval of all proposed disbursements.

Any funds credited to the council during a fiscal year, but not used by the council, shall be carried over in the council account for use in the next fiscal year. The fingerprints shall be analyzed by the State Police for a state criminal history record check through the central abuse registry and then forwarded to the Federal Bureau of Investigation for a national criminal history record check.

(b) Information contained in either the central abuse registry record or the Federal Bureau of Investigation record may form the basis for the denial of a certificate for just cause.

(c) The applicant for initial certification pays for the cost of obtaining the central abuse registry record and the Federal Bureau of Investigation record.

(d) Upon written consent to the state department by the applicant and within ninety days of the state fingerprint analysis, the results of a state analysis may be provided to a county board with which the applicant is applying for employment without further cost to the applicant.

**§18A-3-11. Fellowship for 21st Century Learners.**

(a) The Legislature finds that:

(1) There are instances, especially for the purpose of professional development, where it would be beneficial for persons who are members of the Teachers' Retirement System or the Teachers' Defined Contribution System to be employed by state institutions of higher education or research corporations;

(2) Members of the Teachers' Retirement System are discouraged from terminating their membership to that system because their annuity is based on their final average salary and their total service credit;

(3) A member of the Teachers' Defined Contribution System may be discouraged from terminating his or her membership to that system because the member may be completely vested in that system or have made substantial progress toward being vested;

(4) These members also are discouraged from leaving employment that allows them to participate in the Public Employees Insurance Program pursuant to article sixteen, chapter five of this code; and

(5) An example of this beneficial arrangement would be the employment of a member of the Teachers' Retirement System or a member of the Teachers' Defined Contribution System by an entity that otherwise would not be considered an employer under article seven-a, chapter eighteen of this code or article seven-b, chapter eighteen of this code for the purpose of working on a joint professional development project between higher education and public education.

(b) For the purposes of this section only, unless the context clearly indicates otherwise:

(1) "Employer" means either the state institution of higher education or the research corporation employing a 21st Century Learner Fellow;

(2) "Research corporation" means a corporation meeting the description set forth in section three, article twelve, chapter eighteen-b of this code; and

(3) "State institution of higher education" means the same as defined in section two, article one, chapter eighteen-b of this code.

(c) The State Superintendent is authorized to designate up to twenty-five professional educators who are currently employed and who are members of either the Teachers' Retirement System set forth in article seven-a, chapter eighteen of this code or the Teachers' Defined Contribution System set forth in article seven-b, chapter eighteen of this code as 21st Century Learner Fellows, subject to the following:

(1) Before designating a person as a 21st Century Learner Fellow, the state Superintendent

shall consult with the state institution of higher education or the research corporation that would employ the member if designated;

(2) In determining whether or not to designate a person as a 21st Century Learner Fellow, the state Superintendent shall give preference to a person who:

(A) Is certified by the National Board for Professional Teaching Standards; and

(B) Demonstrates leadership within his or her content field in the county, regional education service agency area or the state;

(3) The duration of the person's designation as a 21st Century Learner Fellow shall be for the period in which the specific project to be undertaken by the person will last as determined by the state Superintendent at the time he or she designates the person; and

(4) Only the employer may terminate the employment of a person designated as a 21st Century Learner Fellow prior to the end of the duration of the person's designation as set forth in subsection (3) of this subsection.

(d) Notwithstanding any other provision of the code to the contrary, the professional educators designated as 21st Century Learner Fellows may elect to remain a member of the retirement system in which they were a member of immediately preceding their designation while they are employed by either a state institution of higher education or a research corporation, subject to the following:

(1) This authorization to remain a member of the retirement system in which they were a member of immediately preceding their designation only applies to authorization to remain a member of either the Teachers' Retirement System set forth in article seven-a, chapter eighteen of this code or to the Teachers' Defined Contribution System set forth in article seven-b, chapter eighteen of this code, but not both;

(2) Both the employer and the member each shall contribute their share as required by article seven-a, chapter eighteen of this code or article seven-b, chapter eighteen of this code, as applicable;

(3) If a 21st Century Learner Fellow elects to remain a member of either the Teachers' Retirement System set forth in article seven-a, chapter eighteen of this code or the Teachers' Defined Contribution System set forth in article seven-b, chapter eighteen of this code, he or she may not participate in any retirement plan offered by the employer; and

(4) Notwithstanding any other provision of law to the contrary, the employer does not assume any liability for benefits accrued by the 21st Century Learner Fellow while he or she was employed by any other entity.

(e) Notwithstanding any other provision of code to the contrary, each 21st Century Learner Fellow also qualifies as an employee for the purposes of being authorized to participate in

the Public Employees Insurance Program pursuant to article sixteen, chapter five of this code and the state institution of higher education or the research corporation, as applicable, shall be considered an employer under that program, subject to the following:

(1) The state institution of higher education or the research corporation, as applicable, is not considered an employer with respect to any employee other than a 21st Century Learner Fellow;
