WEST VIRGINIA CODE: §18A-4-7C

§18A-4-7c. Summer employment of professional educators.

A county board shall hire professional educators for positions in summer school programs in accordance with section thirty-nine, article five, chapter eighteen of this code or section seven-a of this article, as applicable, except that a professional educator who is regularly employed by the county board on a full-time basis shall be given employment preference over applicants who are not regularly employed by the county board on a full-time basis.
