WEST VIRGINIA CODE: §18B-11B-6

§18B-11B-6. Immunity of center and staff.

Neither the director nor any employee of the center staff shall be considered a member of any patient treatment team, or acting in concert with any responsible treating entity, including emergency personnel, hospital or clinic employees, or private medical practitioners of any health care treatment team.

The center and its employees are immune from any and all liability arising from the good faith provision of services provided under the provisions of this article. The immunity granted by this section is in addition to any other immunity now existing or granted under any other provision of this code or by common law.
