WEST VIRGINIA CODE: §18C-7-2

§18C-7-2. Legislative findings and purpose.

- (a) The Legislature finds and declares that:
- (1) West Virginia must have an educated work force in order to attract and retain the high wage, high skill jobs of the twenty-first century;
- (2) A large percentage of West Virginia residents who graduate from the state's colleges and universities do not work in the state following graduation;
- (3) The percentage of West Virginia's adult population over the age of twenty-five with at least a baccalaureate degree is less than fifteen percent and does not compare favorably with the member states of the Southern Regional Education Board average nor with the national average of twenty-five percent;
- (4) Higher levels of education attainment result in higher levels of personal income over a lifetime;
- (5) Students who acquire a baccalaureate degree will earn an estimated \$1 million more over their lifetimes than those who attain only a high school diploma. This translates into an increased tax base and economic development for West Virginia and more discretionary income for its citizens;
- (6) Students at all education levels should have an incentive to perform at a high academic level;
- (7) There is a need to provide parents with all tools possible to aid them in helping their children understand the importance of high academic achievement in high school and college;
- (8) The PROMISE Scholarship Program is highly successful and should be maintained with merit as its strongest component. The merit component:
- (A) Provides an incentive for students to set high academic standards in high school;
- (B) Encourages students to increase their high school achievement levels;
- (C) Encourages students to enroll in more rigorous courses;
- (D) Effects a culture change in West Virginia towards increased education attainment;
- (E) Results in improved ACT scores in the state since the inception of the program; and

- (F) Influences increased numbers of students, including those students who are the highest academic achievers, to remain in West Virginia to attend college.
- (b) It is the purpose of this article to continue the West Virginia PROMISE Scholarship Program to deal effectively with the findings set forth in this section.
- (c) Nothing in this article guarantees:
- (1) A PROMISE scholarship award or any specific amount of a PROMISE scholarship award to any student; or
- (2) That the requirements necessary for a student to qualify for a PROMISE scholarship will not be changed by legislation or rule before the student is eligible to receive an award.
