§18A-2-2. Employment of teachers; contracts; continuing contract status; how terminated; dismissal for lack of need; released time; failure of teacher to perform contract or violation thereof; written notice bonus for teachers and professional personnel.

(a) Before entering upon their duties, all teachers shall execute a contract with their county boards, which shall state the salary to be paid and shall be in the form prescribed by the state superintendent. Each contract shall be signed by the teacher and by the president and secretary of the county board and shall be filed, together with the certificate of the teacher, by the secretary of the office of the county board. When necessary to facilitate the employment of employable professional personnel and prospective and recent graduates of teacher education programs who have not yet attained certification, the contract may be signed upon the condition that the certificate is issued to the employee prior to the beginning of the employment term in which the employee enters upon his or her duties.

(b) Each teacher's contract, under this section, shall be designated as a probationary or continuing contract. A probationary teachers contract shall be for a term of not less than one nor more than three years, one of which shall be for completion of a beginning teacher internship pursuant to the provisions of section two-b, article three of this chapter, if applicable. If, after three years of such employment, the teacher who holds a professional certificate, based on at least a bachelor's degree, has met the qualifications for a bachelors degree and the county board enter into a new contract of employment, it shall be a continuing contract, subject to the following:

(1) Any teacher with less than a bachelor's degree who holds a valid certificate and is employed in a county beyond the three-year probationary period shall be granted continuing contract status upon qualifying for the professional certificate based upon a bachelor's degree, if the teacher becomes reemployed; and

(2) A teacher holding continuing contract status with one county shall be granted continuing contract status with any other county upon completion of one year of acceptable employment if the employment is during the next succeeding school year or immediately following an approved leave of absence extending no more than one year.

(c) The continuing contract of any teacher shall remain in full force and effect except as modified by mutual consent of the school board and the teacher, unless and until terminated, subject to the following:

(1) A continuing contract may not be terminated except:

(A) By a majority vote of the full membership of the county board on or before May 1 of the then current year, after written notice, served upon the teacher, return receipt requested, stating cause or causes and an opportunity to be heard at a meeting of the board prior to the board's action on the termination issue; or

(B) By written resignation of the teacher on or before May 1 to initiate termination of a continuing contract;

(2) The termination shall take effect at the close of the school year in which the contract is terminated;

(3) The contract may be terminated at any time by mutual consent of the school board and the teacher;

(4) This section does not affect the powers of the school board to suspend or dismiss a principal or teacher pursuant to section eight of this article;

(5) A continuing contract for any teacher holding a certificate valid for more than one year and in full force and effect during the school year 1984-1985 shall remain in full force and effect;

(6) A continuing contract does not operate to prevent a teacher's dismissal based upon the lack of need for the teacher's services pursuant to the provisions of law relating to the allocation to teachers and pupil-teacher ratios. The written notification of teachers being considered for dismissal for lack of need shall be limited to only those teachers whose consideration for dismissal is based upon known or expected circumstances which will require dismissal for lack of need. An employee who was not provided notice and an opportunity for a hearing pursuant to this subsection may not be included on the list. In case of dismissal for lack of need, a dismissed teacher shall be placed upon a preferred list in the order of their length of service with that board. A teacher may not be employed by the board until each qualified teacher on the preferred list, in order, has been offered the opportunity for reemployment in a position for which he or she is qualified, not including a teacher who has accepted a teaching position elsewhere. The reemployment shall be upon a teacher's preexisting continuing contract and has the same effect as though the contract had been suspended during the time the teacher was not employed.

(d) In the assignment of position or duties of a teacher under a continuing contract, the board may provide for released time of a teacher for any special professional or governmental assignment without jeopardizing the contractual rights of the teacher or any other rights, privileges or benefits under the provisions of this chapter. Released time shall be provided for any professional educator while serving as a member of the Legislature during any duly constituted session of that body and its interim and statutory committees and commissions without jeopardizing his or her contractual rights or any other rights, privileges, benefits or accrual of experience for placement on the state minimum salary schedule in the following school year under the provisions of this chapter, board policy and law.

(e) A teacher is disqualified to teach in any public school in the state for the duration of the next ensuing school year, if that teacher:

(1) Fails to fulfill his or her contract with the board, unless prevented from doing so by personal illness or other just cause or unless released from his or her contract by the board, or

(2) Violates any lawful provision of his or her contract: Provided, That the marriage of a teacher is not considered a failure to fulfill, or violation of, the contract.

The State Department of Education or board may hold all papers and credentials of the teacher on file for a period of one year for the violation and shall report such disqualification status in the National Association of State Directors of Teacher Education and Certification (NASDTEC) database system.

(f) Any classroom teacher, as defined in section one, article one of this chapter, who desires to resign employment with a county board or request a leave of absence, the resignation or leave of absence to become effective on or before July 15 of the same year and after completion of the employment term, may do so at any time during the school year by written notification of the resignation or leave of absence and any notification received by a county board shall automatically extend the teacher's public employee insurance coverage until August 31 of the same year.

(g) (1) A classroom teacher who gives written notice to the county board on or before March 1 of the school year of his or her retirement from employment with the board at the conclusion of the school year shall be paid \$500 from the early notification of retirement line item established for the Department of Education for this purpose, subject to appropriation by the Legislature. If the appropriations to the Department of Education for this purpose are insufficient to compensate all applicable teachers, the Department of Education shall request a supplemental appropriation in an amount sufficient to compensate all such teachers. Additionally, if funds are still insufficient to compensate all applicable teachers, the priority of payment is for teachers who give written notice the earliest. This payment may not be counted as part of the final average salary for the purpose of calculating retirement.

(2) The position of a classroom teacher providing written notice of retirement pursuant to this subsection may be considered vacant and the county board may immediately post the position as an opening to be filled at the conclusion of the school year. If a teacher has been hired to fill the position of a retiring classroom teacher prior to the start of the next school year, the retiring classroom teacher is disqualified from continuing his or her employment in that position. However, the retiring classroom teacher may be permitted to continue his or her employment in that position and forfeit the early retirement notification payment if, after giving notice of retirement in accordance with this subsection, he or she becomes subject to a significant unforeseen financial hardship, including a hardship caused by the death or illness of an immediate family member or loss of employment of a spouse. Other significant unforeseen financial hardships shall be determined by the county superintendent on a case-by-case basis. This subsection does not prohibit a county school board from eliminating the position of a retiring classroom teacher.

§18A-2-2a. Leaves of absence for teachers and service personnel.

(a) Any teacher who is returning from an approved leave of absence that extended for a period of one year or less shall be reemployed by the county board with the right to be restored to the same assignment of position or duties held prior to the approved leave of absence. Such teacher shall retain all seniority, rights and privileges which had accrued at the time of the approved leave of absence, and shall have all rights and privileges generally accorded teachers at the time of the reemployment.

(b) An employee shall notify the county board at least ten working days prior to beginning a leave of absence. The county board shall approve such leave of absence for any teacher or service personnel who requests an extended leave of absence without pay for any period of time not exceeding one year for the purpose of pregnancy, childbirth or adoptive or infant bonding. An employee shall not be required to use accumulated annual leave or sick leave prior to taking an extended leave of absence.

(c) Such employee who returns from an approved leave of absence for the purpose of pregnancy, childbirth or adoptive or infant bonding which lasted for a period of one year or less than one year shall be reemployed with the right to be restored to the same assignment of position or duties and benefits held prior to the approved leave of absence. Such employee shall retain all rights and privileges generally accorded employees at the time of the reemployment.

(a) Notwithstanding any other provision of this code to the contrary, the county superintendent, subject to approval of the county board, may employ prospective teachers and other professional personnel each year who will be placed in positions and begin regular employment in the next ensuing school year. The intent of this section is to enable school systems to recruit and employ prospective teachers and other professional personnel during the prime recruiting season for new graduates in positions in which the county board has a critical need. reserve list at the county level and placed into a school-specific critical need position if the job has been posted at least once resulting in no qualified applicants; and

(9) Regular employment status for prospective teachers and other professional personnel may be obtained only upon recommendation by the superintendent and approval by the county board following consideration of the qualifications of the candidate in accordance with the applicable provisions of §18A-4-7a of this code;

(2) For the purposes of this subsection:

§18A-2-12a. Statement of policy and practice for the county boards and school personnel to minimize possible disagreement and misunderstanding.

(a) The Legislature makes the following findings:

(1) The effective and efficient operation of the public schools depends upon the development of harmonious and cooperative relationships between county boards and school personnel;
