§18B-10-5. Fee waivers -- Undergraduate schools.

Each governing board periodically may establish fee waivers for students in undergraduate studies at institutions under its jurisdiction entitling recipients to waiver of tuition, capital and other fees subject to the following conditions and limitations:

(a) Undergraduate fee waivers established by the governing boards of Marshall University and West Virginia University, respectively, for the state institutions of higher education known as Marshall University and West Virginia University, are subject to the provisions of section six-a of this article;

(b) For the governing boards of state institutions of higher education other than the state institutions of higher education known as Marshall University and West Virginia University, the following conditions apply:

(1) An institution may not have in effect at any time undergraduate fee waivers totaling more in value than five percent of the tuition and required fees assessed for all full-time equivalent undergraduate students registered during the fall semester of the immediately preceding academic year.

(2) Each undergraduate fee waiver entitles the recipient of the waiver to attend a designated state institution of higher education without payment of the tuition, capital and other fees as may be prescribed by the governing board and is for a period of time not to exceed eight semesters of undergraduate study.

(3) The governing board shall make rules pursuant to the provisions of section six, article one of this chapter governing the award of undergraduate fee waivers; the issuance and cancellation of certificates entitling the recipients to the benefits of the waiver; the use of the fee waivers by the recipients; and the rights and duties of the recipients with respect to the fee waivers. These rules may not be inconsistent with the provisions of this section.

(4) The awarding of undergraduate fee waivers shall be entered in the minutes of the meetings of the governing board.

(5) Students enrolled in an administratively linked community and technical college shall be awarded a proportionate share of the total number of undergraduate fee waivers awarded by a governing board. The number to be awarded to students of the community and technical college is based upon the full-time equivalent enrollment of that institution.

(7) Any fee waivers mandated by this article or by section three, article nineteen, chapter eighteen of this code are not counted when determining the maximum percentage of waivers permitted by this section.
