WEST VIRGINIA CODE: §19-15-16A

§19-15-16a. Local legislation prohibited.

No political subdivision may regulate the registration, packaging, labeling, sale, storage, distribution, use and application of fertilizers; and, in addition, no political subdivision may adopt or continue in effect local legislation relating to the registration, packaging, labeling, sale, storage, distribution, use or application of fertilizers.

Local legislation in violation of this section is void and unenforceable.
