WEST VIRGINIA CODE: §19-19-5

§19-19-5. Duties of owner or operator maintained.

Nothing in this article shall be construed to excuse or relieve the owner or operator of any agricultural lands from any other right or duty as to any other person or persons, and shall apply only to the right to conduct the practice of agriculture upon his agricultural lands, and the rights and duties of such owner or operator shall be in all other respects maintained as to any other person or persons or entity.
