

# WEST VIRGINIA CODE: §19-21A-4

## **§19-21A-4. State Conservation Committee; continuation.**

(a) The State Conservation Committee is continued. It serves as an agency of the state and is to perform the functions conferred upon it in this article. The committee consists of the following 10 members:

- (1) Four citizen members;
- (2) The following ex officio members or his or her designee:
  - (A) The Director of the state Cooperative Extension Service;
  - (B) The Director of the State Agricultural and Forestry Experiment Station;
  - (C) The Secretary of the Department of Environmental Protection;
  - (D) The State Commissioner of Agriculture, who is the chairperson of the committee;
  - (E) The Director of the Division of Forestry; and
  - (F) The President of the West Virginia Association of Conservation Districts.

(b) The Governor shall appoint, by and with the consent of the Senate, the four citizen members. Members shall be appointed for four-year terms, which are staggered in accordance with the initial appointments under prior enactment of this section. In the event of a vacancy, the appointment is for the unexpired term.

(c) The committee may invite the Secretary of Agriculture of the United States of America to appoint one person to serve with the committee as an advisory member.

(d) The committee shall keep a record of its official actions, shall adopt a seal, which shall be judicially noticed, and may perform those acts, hold public hearings, and adopt or propose for legislative approval rules necessary for the execution of its functions under this article.

(e) The State Conservation Committee may employ an administrative officer, technical experts, and other agents and employees, permanent and temporary, as it requires. The administrative officer and support staff shall be known as the West Virginia Conservation Agency. The committee shall determine their qualifications, duties, and compensation. The committee may call upon the Attorney General of the state for legal services it requires. It may delegate to its chairperson, to one or more of its members, or to one or more agents or employees, powers and duties it considers proper. The committee may secure necessary and suitable office accommodations and the necessary supplies and equipment. Upon request of the committee, for the purpose of carrying out any of its functions, the supervising officer of

any state agency or of any state institution of learning shall, insofar as may be possible, under available appropriations and having due regard to the needs of the agency to which the request is directed, assign or detail to the committee members of the staff or personnel of the agency or institution of learning and make special reports, surveys, or studies required by the committee.

(f) A member of the committee holds office so long as he or she retains the office by virtue of which he or she is serving on the committee. A majority of the committee is a quorum and the concurrence of a majority in any matter within their duties is required for its determination. The chairperson and members of the committee may receive no compensation for their services on the committee, but are entitled to reimbursement of expenses, including traveling expenses necessarily incurred in the discharge of their duties on the committee. The committee shall:

- (1) Require the execution of surety bonds for all employees and officers who are entrusted with funds or property;
- (2) Provide for the keeping of a full and accurate public record of all proceedings and of all resolutions, rules, and orders issued or adopted;
- (3) Provide for an annual audit of the accounts of receipts and disbursements; and
- (4) Cooperate with the State Resiliency Office to the fullest extent practicable to assist that office in fulfilling its duties.

(g) In addition to other duties and powers conferred upon the State Conservation Committee, it may:

- (1) Review district programs and offer appropriate assistance to the supervisors of conservation districts, organized as provided in this article, in the carrying out of any of their powers and programs;
- (2) Assist and advise conservation districts and others in implementing conservation improvements, and projects to control and abate nonpoint sources of water pollution and prevent damage from floodwater and sediment;
- (3) Keep the supervisors of each of the several districts, organized under the provisions of this article, informed of the activities and experience of all other districts organized under this article, and facilitate an interchange of advice and experience between the districts and cooperation between them;
- (4) Review agreements, or forms of agreements, proposed to be entered into by districts with other districts or with any state, federal, interstate, or other public or private agency, organization, or individual, and advise the districts concerning such agreements or forms of agreements;

- (5) Coordinate the programs of the several conservation districts so far as this may be done by advice and consultation;
- (6) Contract for services directly related to natural disaster recovery and stream restoration related to flooding, on an as-needed basis;
- (7) Comply with provisions of present and future federal aid statutes and regulations, including execution of contracts or agreements with, and cooperation in, programs of the United States government and any of its proper departments, bureaus, or agencies relating to natural disaster response, natural disaster recovery, or stream restoration related to flooding;
- (8) Secure the cooperation and assistance of the United States and any of its agencies and of agencies of this state in the work of the districts;
- (9) Disseminate information throughout the state concerning the activities and programs of the conservation districts and encourage the formation of the districts in areas where their organization is desirable;
- (10) Administer the provisions of any law hereinafter enacted by the Legislature appropriating funds for expenditures in connection with the activities of conservation districts; distribute to conservation districts funds, equipment, supplies, and services received by the committee for such purpose from any source subject to conditions in any state or federal statute or local ordinance making such funds, property, or services; adopt rules establishing guidelines to govern the use by conservation districts of such funds, property, and services; and review all budgets, administrative procedures, and operations of such districts and advise the districts concerning their conformance with applicable laws and rules;
- (11) Administer a conservation grant program that provides financial assistance to conservation districts and others to promote approved conservation, water quality, and soil conservation projects;
- (12) Accept and receive donations, gifts, contributions, grants, and appropriations in money, services, materials, or otherwise, from the United States or any of its agencies, from the State of West Virginia, or from other sources, and use or expend the money, services, materials, or other contributions in carrying out the policy and provisions of this article, including the right to allocate the money, services, or materials in part to the various conservation districts created by this article in order to assist them in carrying on their operations;
- (13) Obtain options upon and acquire by purchase, exchange, lease, gift, grant, bequest, devise, or otherwise, any property, real or personal, or rights or interests in the property; maintain, administer, operate, and improve any properties acquired; receive and retain income from the property and expend the income as required for operation, maintenance,

administration, or improvement of the properties or in otherwise carrying out the purposes and provisions of this article; and sell, lease, or otherwise dispose of any of its property or interests in the property in furtherance of the purposes and the provisions of this article. Money received from the sale of land acquired in the small watershed program shall be deposited in the special account of the State Conservation Committee and expended as provided in this article;

(14) Promulgate emergency and legislative rules to effectuate the provisions of this article; and

(15) Upon a Governor's proclamation declaring a state of emergency or federal disaster declaration, the state committee, its employees, or agents may enter any water of the state for the purpose of removing debris and other obstruction which impede water flow and present additional flood hazards. The agency shall make reasonable efforts to secure the permission of the landowner before entering any private property in connection with these removal activities. The exercise of this limited authority does not constitute taking of private property or trespass. This authority shall continue for the duration of the Governor's proclamation or the federal disaster declaration.

(16) Require annual reports from conservation districts, the form and content of which shall be developed by the state committee; and

(17) Establish by rule, adequate and reasonably uniform accounting and auditing procedures which shall be used by conservation districts.
