Before issuing any license required by the provisions of this section, the commissioner shall inspect the applicant's establishment and if the commissioner is satisfied that the establishment is clean and sanitary, is properly equipped, and is in conformity with the provisions of this article and any reasonable rules promulgated by the commissioner, and if he or she is further satisfied that the carcasses, meat products or poultry products to be sold or offered for sale therefrom through commercial outlets will be wholesome and unadulterated, he or she shall issue the license. Each license shall specify the location of the establishment at which the licensee shall carry on his or her operations. The license shall also contain the establishment number assigned by the commissioner.

(b) When a licensee changes the location of his or her establishment, he or she shall not operate at such new location unless and until his or her establishment at such new location has been inspected by the commissioner and a new license has been issued, or when a licensee leases, sells, changes name, incorporates or in any other way changes the status of his or her establishment with relationship to issuance of current license, the new lessee, owner, etc., shall not operate at the location unless and until the establishment at such location has been inspected and approved by the commissioner and a new license has been issued in accordance with the provisions of subsection (a) of this section: Provided, That a fee shall not be charged for such new license during the license year in which the change in location or change in ownership, name or leasing was made.

(c) The commissioner may refuse to grant a license or may suspend or revoke a license issued under the provisions of this section whenever he or she finds that the applicant's or licensee's establishment, as the case may be, is not clean or sanitary, or is not properly equipped, or is not in conformity with the provisions of this article or any reasonable rules promulgated by the commissioner, or if he or she finds that the carcasses, meat products or poultry products to be sold or offered for sale therefrom through commercial outlets are or will be adulterated.

Upon the refusal to grant a license, the commissioner shall furnish a written statement to the applicant specifying the grounds for such refusal. No such revocation or suspension of a license shall be effective until the licensee has received written notice thereof, which notice shall specify the grounds for such revocation or suspension.

Whenever there is sufficient cause for the revocation or suspension of a license as hereinabove specified, the commissioner may in lieu of such revocation or suspension, suspend inspections at the establishment. Immediately upon suspension of such inspections the commissioner shall give the licensee written notice thereof, and such notice shall contain a recitation of the deficiencies which must be fully and completely corrected before inspections shall be resumed.

Upon receipt of a written statement advising that a license has been refused or upon receipt of a written notice of the revocation or suspension of a license, or upon the suspension of inspections at the licensee's establishment, the applicant or licensee, as the case may be, may, in writing, demand a hearing. The commissioner shall hold such a hearing within ten days after receipt of such written demand, in accordance with the provisions of section nine of this article.
