(e) The applicant shall pay the actual costs of the fingerprinting and criminal history record check.

(f) The commissioner may not disqualify an applicant for initial licensure, certification or registration because of a prior criminal conviction that has not been reversed unless that conviction is for a crime that bears a rational nexus to the occupation requiring licensure.

(g) The commissioner may not use crimes involving moral turpitude in making licensure, certification or registration determinations.

(h) If an applicant is disqualified for licensure, certification or registration because of a criminal conviction that has not been reversed, the commissioner shall afford the applicant the opportunity to reapply for licensure, certification or registration after the expiration of five years from the date of conviction or date of release from the penalty that was imposed,

whichever is later, if the individual has not been convicted of any other crime during that period of time: Provided, That convictions for violent or sexual offenses or offenses shall subject an individual to a longer period of disqualification, to be determined by the individual board or licensing authority.

This petition shall include sufficient details about the individual's criminal record to enable the commissioner to identify the jurisdiction where the conviction occurred, the date of the conviction and the specific nature of the conviction. The commissioner shall inform the individual of his or her standing within 60 days of receiving the petition from the applicant. The licensing authority may charge a fee to recoup its costs for each petition.

(l) The provisions of this section, enacted during the 2019 Regular Session of the Legislature, shall not apply to current licensees who maintain active licensure, but shall apply to individuals currently holding an apprentice auctioneer license who are applying for an auctioneer license, or to any current license holder whose license lapses and who is required to reapply.
