WEST VIRGINIA CODE: §19-2C-6C

§19-2C-6c. Procedure for obtaining reciprocal or nonresident auctioneer's and apprentice auctioneer's license.

(a) To qualify for a license by reciprocity, the applicant must show evidence of licensing in another state for a period of one year preceding the date of application. The licensing may have been as an apprentice auctioneer or as an auctioneer. Provided this qualification is met and the applicant meets all the other requirements as required by this article and by regulation, he or she shall be licensed either as an apprentice auctioneer or as an auctioneer, based on a nonresident license, as the case may be.

(b) When an applicant's resident state has no licensing law for auctioneers or the applicant's resident state has no written or oral examination associated with its licensing requirements, the Department of Agriculture shall require proof that the applicant has been a practicing auctioneer for a period of two years preceding the date of application. The proof shall be in the form of sale bills, contracts, sale permits and other such evidence acceptable to the commissioner. Provided this qualification is met, and the applicant meets other requirements for licensing as required by the statutes and regulations, the applicant shall be admitted to the next scheduled written and oral examination for auctioneers without being required to first serve an apprenticeship.
