WEST VIRGINIA CODE: §20-3A-1

§20-3A-1. Legislative purpose.

The Legislature finds that the sport of skiing is practiced by a large number of citizens of West Virginia and also attracts to West Virginia a large number of nonresidents, significantly contributing to the economy of West Virginia. Since it is recognized that there are inherent risks in the sport of skiing which should be understood by each skier and which are essentially impossible to eliminate by the ski area operator, it is the purpose of this article to define those areas of responsibility and affirmative acts for which ski area operators shall be liable for loss, damage or injury and those risks which the skier expressly assumes for which there can be no recovery.
