

WEST VIRGINIA CODE: §20-4-1

§20-4-1. Legislative purpose.

The Legislature finds that equestrian activities are engaged in by a large number of citizens of West Virginia and that such activities also attract to West Virginia a large number of nonresidents, significantly contributing to the economy of West Virginia. Since it is recognized that there are inherent risks in equestrian activities which should be understood by participants therein and which are essentially impossible for the operators of equestrian businesses to eliminate, it is the purpose of this article to define those areas of responsibility and those affirmative acts for which the operators of equestrian businesses shall be liable for loss, damage or injury suffered by participants, and to further define those risks which the participants expressly assume and for which there can be no recovery.
