WEST VIRGINIA CODE: §21-10-5

§21-10-5. Inspectors.

(a) The Division may hire or contract with inspectors to inspect amusement rides and amusement attractions. The Division is responsible for oversight and review of the activities of special inspectors and may hire or contract with inspectors to review the activities of special inspectors.

(b) The Division shall certify all special inspectors who are employed by insurance providers that write insurance policies for amusement rides and amusement attractions required by section twelve of this article. The Division may suspend or revoke any certification of a special inspector upon a showing of good cause. The Division shall propose rules for legislative approval in accordance with the provisions of article three, chapter twenty-nine-a of this code providing an application process and minimum qualifications for certification of special inspectors. The Division may charge an annual certification fee not to exceed $50.
