

WEST VIRGINIA CODE: §21-12-2

§21-12-2. Definitions.

As used in this article:

"Bungee jumping" means a commercial recreational activity where participants jump off a platform or other area, whether natural or man-made with a cord or other elastic device attached or otherwise affixed or connected to the jumper in order to prevent the jumper from striking the ground or earth below the jump platform, and which activity is engaged in for the purpose of giving the jumpers amusement, pleasure, thrills or excitement.
