WEST VIRGINIA CODE: §21-12-6

§21-12-6. Permits; application; annual inspection.

(a) An operator or owner shall not knowingly permit the operation of a commercial bungee jumping event without a permit issued by the division.

(b) Commercial bungee jumping sites will be inspected at intervals to be determined by the Division of Labor, but in no event, shall a commercial bungee jumping site be inspected less frequently than once per year.
