

WEST VIRGINIA CODE: §21-5-14

§21-5-14. Employer's bond for wages and benefits.

(a) Bond required. — With the exception of those who have been doing business in this state actively and actually engaged in construction work, or the severance, production or transportation of minerals for at least one year next preceding the posting of the bond required by this section, every employer, person, firm or corporation engaged in or about to engage in construction work, or the severance, production or transportation (excluding railroads and water transporters) of minerals, shall, prior to engaging in any construction work, or the severance, production or transportation of minerals, furnish a bond on a form prescribed by the commissioner, payable to the State of West Virginia, with the condition that the person, firm or corporation pay the wages and fringe benefits of his or her or its employees when due. The amount of the bond shall be equal to the total of the employer's gross payroll for four weeks at full capacity or production, plus fifteen percent of the said total of employer's gross payroll for four weeks at full capacity or production. The amount of the bond shall increase or decrease as the employer's payroll increases or decreases: Provided, That the amount of the bond shall not be decreased, except with the commissioner's approval and determination that there are not outstanding claims against the bond: Provided, however, That if the employer, person, firm or corporation meets one of the following, then such employer, person, firm or corporation shall be exempt from the requirements of this subsection:

- (1) Has been in business in another state for at least five years;
- (2) Has at least \$100,000 in assets; or
- (3) Is a subsidiary of a parent company that has been in business for at least five years.

(b) Waiver. — The commissioner shall waive the posting of any bond required by subsection (a) of this section upon his or her determination that an employer is of sufficient financial responsibility to pay wages and fringe benefits. The commissioner shall promulgate rules and regulations according to the provisions of chapter twenty-nine-a of this code which prescribe standards for the granting of such waivers.

(c) Form of bond; filing in office of circuit clerk. — The bond may include, with the approval of the commissioner, surety bonding, collateral bonding (including cash and securities), letters of credit, establishment of an escrow account or a combination of these methods. The commissioner shall accept an irrevocable letter of credit in lieu of any other bonding requirement. If collateral bonding is used, the employer may deposit cash, or collateral securities or certificates as follows: Bonds of the United States or its possessions, or of the federal land bank, or of the homeowner's loan corporation; full faith and credit general obligation bonds of the State of West Virginia or other states, and of any county, district or

municipality of the State of West Virginia or other states; or certificates of deposit in a bank in this state, which certificates shall be in favor of the state. The cash deposit or market value of such securities or certificates shall be equal to or greater than the sum of the bond. The commissioner shall, upon receipt of any such deposit of cash, securities or certificates, promptly place the same with the State Treasurer whose duty it shall be to receive and hold the same in the name of the state in trust for the purpose for which such deposit is made. The employer making the deposit shall be entitled from time to time to receive from the State Treasurer, upon the written approval of the commissioner, the whole or any portion of any cash, securities or certificates so deposited, upon depositing with him or her in lieu thereof, cash or other securities or certificates of the classes herein specified having value equal to or greater than the sum of the bond. The commissioner shall cause a copy of the bond to be filed in the office of the clerk of the county commission of the county wherein the person, firm or corporation is doing business to be available for public inspection.

(d) Employee cause of action. — Notwithstanding any other provision in this article, any employee, whose wages and fringe benefits are secured by the bond, as specified in subsection (c) of this section, has a direct cause of action against the bond for wages and fringe benefits that are due and unpaid.

(e) Action of commissioner. — Any employee having wages and fringe benefits unpaid may inform the commissioner of the claim for unpaid wages and fringe benefits and request certification thereof. If the commissioner, upon notice to the employer and investigation, finds that such wages and fringe benefits or a portion thereof are unpaid, he or she shall make demand of such employer for the payment of such wages and fringe benefits. If payment for such wages and fringe benefits is not forthcoming within the time specified by the commissioner, not to exceed thirty days, the commissioner shall certify such claim or portion thereof, and forward the certification to the bonding company or the State Treasurer, who shall provide payment to the affected employee within fourteen days of receipt of such certification. The bonding company, or any person, firm or corporation posting a bond, thereafter shall have the right to proceed against a defaulting employer for that part of the claim the employee paid. The procedure specified herein shall not be construed to preclude other actions by the commissioner or employee to seek enforcement of the provisions of this article by any civil proceedings for the payment of wages and fringe benefits or by criminal proceedings as may be determined appropriate.

(f) Posting and reporting by employer. — With the exception of those exempt under subsection (a) of this section, any employer who is engaged in construction work or the severance, production or transportation (excluding railroad and water transporters) of minerals shall post the following in a place accessible to his or her or its employees:

(1) A copy of the bond or other evidence of surety specifying the number of employees covered as provided under subsection (a) of this section, or notification that the posting of a bond has been waived by the commissioner; and

(2) A copy of the notice in the form prescribed by the commissioner regarding the duties of

employers under this section. During the first year that any person, firm or corporation is doing business in this state in construction work, or in the severance, production or transportation of minerals, such person, firm or corporation shall on or before February 1, May, August and November of each calendar year file with the department a verified statement of the number of employees, or a copy of the quarterly report filed with the Bureau of Employment Programs showing the accurate number of employees, unless the commissioner waives the filing of the report upon his or her determination that the person, firm or corporation is of sufficient stability that the reporting is unnecessary.

(g) Termination of bond. — The bond may be terminated, with the approval of the commissioner, after an employer submits a statement, under oath or affirmation lawfully administered, to the commissioner that the following has occurred: The employer has ceased doing business and all wages and fringe benefits have been paid, or the employer has been doing business in this state for at least one year and has paid all wages and fringe benefits. The approval of the commissioner will be granted only after the commissioner has determined that the wages and fringe benefits of all employees have been paid. The bond may also be terminated upon a determination by the commissioner that an employer is of sufficient financial responsibility to pay wages and fringe benefits.
