(a) The secretary may recover through civil action or cooperative agreements with responsible persons, the actual, reasonable and necessary amounts expended by the department for the purpose of responding to, evaluating or overseeing a response to a spill or accidental discharge of any pollutant that enters the waters of the state, or taking measures required to prevent a spill or accidental discharge of any pollutant from entering the waters of the state. The department is not responsible for or may not be held liable for costs incurred by the third party responder.

(d) Any civil action instituted pursuant to this section may be brought in the county in which the spill or accidental discharge occurred or the county in which the response occurred.
