WEST VIRGINIA CODE: §22-11-5

§22-11-5. Water areas beautification; investigations; law enforcement.

The division shall maintain a program and practices in the husbandry of waters of the state and the lands immediately adjacent thereto. The director shall make such investigations and surveys, conduct such schools and public meetings and take such other steps as may be expedient in the conservation, beautification, improvement and use of all such water areas of the state. The director shall cooperate with the Division of Natural Resources' chief law-enforcement officer in enforcing the provisions of law prohibiting the disposal of litter in, along and near such water areas.
